

# AR-15/M16 SINGLE RAIL (SR) MOUNT SYSTEM - SR CARRY HANDLE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

## Single Rail Design Increases Accessory & Scope Mounting Options

Picatinny rail designs increase your scope and accessory mounting options without gunsmithing or permanent alterations. Single Rail (SR) keeps weight to a minimum. Made from tough, extruded aluminum; attaches securely with easy-to-turn, steel thumbscrews with threaded steel studs. Accepts both Picatinny or Weaver-style accessories and rings and includes mounting recesses and screws for STANAG rings. Sight tunnel in carry handle version allows unobstructed use of the adjustable A2 factory sights. Flat top version raises line of sight by .870" for improved eye relief and more comfortable cheek weld with conventional or electronic optics. Available for A2 carry handle or A4 flattop receivers. Both models attach quickly with either single or dual thumbscrews.

## Attributes

- Name: [SR CARRY HANDLE MOUNT](#)
- Manufacturer: [WEAVER](#)
- Product no.: 955000107
- Mfr. No.: 48320
- Color: Black

# Safety Instruction Guide for AR15/M16 SINGLE RAIL (SR) MOUNT SYSTEM SR CARRY HANDLE MOUNT

## Introduction

Thank you for choosing the AR15/M16 Single Rail (SR) Mount System SR Carry Handle Mount. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document thoroughly before installation and usage.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or removing the mount.
- Use the mount only with compatible firearms and accessories as specified in the product description.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- If you experience any issues during installation or use, cease operation immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that the mount is securely attached before using the firearm.
- Avoid excessive force when tightening the thumbscrews to prevent damage to the mount or firearm.
- Do not modify the mount in any way, as this may compromise safety and functionality.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm with the mount.
- Use appropriate eye and ear protection when operating firearms.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure the firearm is unloaded.
- Gather all necessary tools, including the provided thumbscrews.

#### 2. Attaching the Mount

- Locate the carry handle or flat top receiver on your AR15/M16.
- Align the mount with the receiver, ensuring that it fits securely.
- Insert the provided steel thumbscrews into the threaded steel studs.
- Tighten the thumbscrews by hand until secure. Do not overtighten.

#### 3. Checking Installation

- After installation, check that the mount is firmly attached and does not move.
- Ensure that the sight tunnel is unobstructed and that factory sights can be used if applicable.

### Usage

- When using the mount, ensure that all accessories are properly secured and compatible.
- Adjust the optics or accessories as needed for optimal viewing and comfort.

- Regularly check the mount and accessories during use to ensure they remain secure.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the mount is damaged or no longer in use, consider recycling materials where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the EUbased contact provided by the manufacturer. Ensure you have the product details ready for a more efficient response.

By following these guidelines, you can help ensure your safety and the safe operation of your AR15/M16 Single Rail (SR) Mount System SR Carry Handle Mount. Thank you for your attention to safety.
