

WINDAGE ADJUSTABLE SURE-GRIP RINGS - WEAVER RINGS, HIGH, 1", MATTE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Completely Adjustable High-Strength Clamping Power

High-quality, windage adjustable rings feature steel caps with two hardened screws per side allow super strong clamping power and positive grip on your scopes. Both front and rear rings come with two fully adjustable base clamps that mount securely to Weaver-style rails with a unique, one-piece lug milled into the base of each ring. Clamps can be tightened or loosened for both front and rear alignment so you can line your scope up perfectly with the end of the barrel leaving the windage adjustment in your scope for precise sighting-in.

Safety Instruction Guide for WINDAGE ADJUSTABLE SUREGRIP RINGS WEAVER RINGS

Introduction

Thank you for choosing the WINDAGE ADJUSTABLE SUREGRIP RINGS WEAVER RINGS. This guide provides essential safety instructions and information to ensure safe usage of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Inspect the product regularly for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- If you notice any defects or issues, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Only use the rings with scopes that are compatible with 1" tube diameter.
- Ensure that the rings are securely tightened to prevent movement during use.
- Avoid overtightening screws, as this may damage the product or the scope.
- When adjusting windage, make small incremental changes and check alignment frequently.
- Do not modify the rings or their components in any way.
- Always wear appropriate eye protection when using firearms equipped with the rings.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction before beginning installation.
- Identify the Weaverstyle rail on your firearm where the rings will be mounted.
- Place the front and rear rings on the rail, aligning them with the desired position.
- Use the included Allen wrench to tighten the clamps securely to the rail.
- Adjust the clamps to ensure both front and rear rings are aligned properly.

2. Mounting the Scope:

- Place your scope into the rings, ensuring it sits evenly between both rings.
- Tighten the screws on the rings gradually to secure the scope in place. Start with the front ring, then the rear.
- Check the alignment of the scope with the barrel of your firearm. Adjust as necessary.

3. Windage Adjustment:

- Use the windage adjustment feature on your scope to make finetuning adjustments.
- Make small adjustments and check the alignment frequently to ensure accuracy.

4. Final Checks:

- After installation and adjustments, doublecheck all screws and clamps to ensure they are

tightened properly.

- Conduct a function check of your firearm in a safe environment before taking it to the range.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling components where possible.

Contact Information for Further Support

For any questions or concerns regarding the WINDAGE ADJUSTABLE SUREGRIP RINGS WEAVER RINGS, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your WINDAGE ADJUSTABLE SUREGRIP RINGS WEAVER RINGS. Thank you for your attention to safety!
