

NO-GUNSMITH CONVERTA SHOTGUN MOUNTS - WEAVER REMINGTON 870, 11-87, 1100 12GA & 20GA SADDLE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Shotgun Bases](#)

Easy-To-Install, Low-Profile Sight Mount

Easy-to- install mount lets you attach an optic or laser sight to your shotgun without drilling, tapping, or making permanent alterations to the gun. Remove the two trigger group pins (Rem.), or the ejector screw and trigger pin (Moss.), slide on the mount, line up the holes, and secure it with the included replacement pins. Low-profile, form-fitting design looks like part of the receiver and positions the sight close to the bore axis. Seven cross-slots in the 5" rail let you install an optic, Weaver top-mount rings, or other accessory, with plenty of flexibility in setting eye relief. Lightweight, yet rugged, reinforced molded polymer stands up to extreme weather conditions ranging from -40°F to 150°F.

Attributes

- Name: [WEAVER REMINGTON 870, 11-87, 1100 12GA & 20GA SADDLE MOUNT](#)
- Manufacturer: [WEAVER](#)

NOGUNSMITH CONVERTA SHOTGUN MOUNTS WEAVER REMINGTON 870, 1187, 1100 12GA & 20GA SADDLE MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the NOGUNSMITH CONVERTA SHOTGUN MOUNTS. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the mount is compatible with your shotgun model (Remington 870, 1187, 1100; Mossberg 500, 835).
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Inspect the mount and your shotgun before use to ensure all components are in good condition.
- Keep the mount and any accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the shotgun is unloaded before installation or maintenance.
- Avoid using the mount in extreme weather conditions unless specified.
- Do not exceed the weight limit for optics or accessories mounted on the rail.
- Be cautious of your surroundings when using a shotgun equipped with a mount.
- Regularly check the tightness of screws and bolts to ensure secure attachment.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure your shotgun is unloaded.
- Gather all necessary tools, including the provided hex head wrenches.

2. Remove Existing Components:

- For Remington shotguns, remove the two trigger group pins.
- For Mossberg shotguns, remove the ejector screw and trigger pin.

3. Attach the Mount:

- Slide the mount onto the shotgun receiver.
- Align the holes on the mount with the shotgun's receiver holes.

4. Secure the Mount:

- Insert the included replacement pins through the aligned holes.
- Ensure the mount is firmly attached and does not wobble.

5. Install Accessories:

- Use the seven crossslots on the 5" rail to attach your optic, Weaver topmount rings, or other accessories.
- Adjust the accessories for proper eye relief.

Usage Instructions

- After installation, ensure all components are secure before using the shotgun.
- Regularly check the mount and accessories for any signs of wear or damage.
- Follow all safety protocols when using your shotgun, including proper handling and storage.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the mount is damaged or no longer needed, follow local regulations for disposal of polymer materials.

Contact Information for Further Support

For any inquiries or support regarding safety concerns or product information, please refer to the manufacturer's contact details provided with the product packaging. It is important to have this information accessible for any assistance you may require.

By following these safety instructions, you can ensure a safe and enjoyable experience with your NOGUNSMITH CONVERTA SHOTGUN MOUNTS. Thank you for your attention to safety.
