

# NO-GUNSMITH CONVERTA SHOTGUN MOUNTS - WEAVER MOSSBERG 500 12 GAUGE SADDLE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Shotgun Bases](#)

## Easy-To-Install, Low-Profile Sight Mount

Easy-to-install mount lets you attach an optic or laser sight to your shotgun without drilling, tapping, or making permanent alterations to the gun. Remove the two trigger group pins (Rem.), or the ejector screw and trigger pin (Moss.), slide on the mount, line up the holes, and secure it with the included replacement pins. Low-profile, form-fitting design looks like part of the receiver and positions the sight close to the bore axis. Seven cross-slots in the 5" rail let you install an optic, Weaver top-mount rings, or other accessory, with plenty of flexibility in setting eye relief. Lightweight, yet rugged, reinforced molded polymer stands up to extreme weather conditions ranging from -40°F to 150°F.

## Attributes

- Name: [WEAVER MOSSBERG 500 12 GAUGE SADDLE MOUNT](#)
- Manufacturer: [WEAVER](#)

# NOGUNSMITH CONVERTA SHOTGUN MOUNTS WEAVER MOSSBERG 500 12 GAUGE SADDLE MOUNT Safety Instruction Guide

## Introduction

Thank you for choosing the NOGUNSMITH CONVERTA SHOTGUN MOUNTS. This product allows you to securely attach optics or laser sights to your shotgun without the need for drilling or making permanent modifications. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions when installing and using the mount.
- Ensure that the shotgun is unloaded before installing the mount.
- Keep the mount and accessories out of reach of children and vulnerable individuals.
- Regularly inspect the mount for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only the recommended tools for installation to avoid damaging the mount or the shotgun.
- Ensure that the mount is securely fastened before attaching any optics or accessories.
- Do not exceed the weight limit of the mount as specified by the manufacturer.
- Avoid using the mount in extreme weather conditions unless it is rated for such use.
- Always check the alignment of the optics or accessories after installation to ensure proper functionality.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the shotgun is completely unloaded.
- Gather the necessary tools: 3/32" and 1/8" hex head wrenches (included).

### 2. Installation Steps:

- For Remington models:
  - Remove the two trigger group pins.
- For Mossberg models:
  - Remove the ejector screw and trigger pin.
  - Slide the mount onto the shotgun receiver.
  - Align the holes in the mount with the holes in the receiver.
  - Secure the mount using the included replacement pins.

### 3. Attaching Optics or Accessories:

- Use the seven crossslots in the 5" rail to install your chosen optic or accessory.
- Adjust the position to achieve your desired eye relief.

### 4. Final Checks:

- Ensure all screws and pins are tightened and secure.

- Perform a visual inspection to confirm that the mount is properly installed and aligned.

## Disposal Instructions

- Dispose of packaging materials in accordance with local regulations.
- If the product is no longer in use, please dispose of it responsibly. Check for local electronic waste recycling programs to ensure proper disposal.

## Contact Information for Further Support

For any inquiries or concerns regarding the NOGUNSMITH CONVERTA SHOTGUN MOUNTS, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your NOGUNSMITH CONVERTA SHOTGUN MOUNTS. Always prioritize safety and compliance with local regulations when using firearms and accessories.
