Safety Instruction Guide for SIDE MOUNT BASES

#2 SIDE MOUNT BASE

Introduction

Thank you for choosing the SIDE MOUNT BASES #2 SIDE MOUNT BASE. This guide provides essential safety information and instructions to ensure the proper use and installation of the product. Please read this guide carefully before use to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product text.
- Regularly inspect the mount for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- If you notice any defects or issues during installation or usage, cease use immediately and consult a qualified professional.
- Follow all local laws and regulations regarding firearm accessories and modifications.

Specific Safety Precautions for Use

- Use only Weaver side mount rings with this base to ensure compatibility and safety.
- Ensure that the base is securely mounted to the receiver before attaching any scopes.
- Avoid overtightening screws during installation to prevent damage to the base or the firearm.
- Do not modify the base or receiver in any way that is not specified in the product guidelines.
- Always handle firearms with care and ensure they are unloaded when installing or adjusting the mount.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a screwdriver and any other required tools for installation.
- Ensure the firearm is completely unloaded and pointed in a safe direction.

2. Installation

- Locate the mounting holes on the side of the receiver.
- Align the SIDE MOUNT BASE with the mounting holes.
- Insert screws through the base into the receiver, ensuring alignment.
- Tighten screws gently but securely; avoid overtightening.

3. Attaching the Scope

- Once the base is installed, carefully attach the Weaver side mount rings to the base.
- Follow the manufacturer's instructions for the scope to ensure proper installation.
- Ensure that the scope is securely fastened and aligned before use.

4. PostInstallation Check

- After installation, doublecheck all screws and connections to ensure everything is secure.
- Test the mount by gently pulling on the scope to ensure it does not shift or move.

Disposal Instructions

- Dispose of packaging materials responsibly by recycling them where possible.
- If the product reaches the end of its life, dispose of it in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the SIDE MOUNT BASES #2 SIDE MOUNT BASE, please refer to the manufacturer's website or contact customer support directly.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority.
