## Specific Safety Precautions for Use

- Before installation, inspect the product for any visible damage. Do not use if you notice any defects.
- Ensure that the base is compatible with your specific rifle or shotgun model before installation.
- Always use the appropriate tools for installation to avoid damaging the product or your firearm.
- Do not exceed the manufacturer's specifications regarding the weight or type of equipment mounted on the base.
- Regularly check the tightness of the base to ensure it remains securely attached during use.
- Avoid using the product in extreme weather conditions that may affect its performance.
- If you experience any issues or concerns while using the product, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools, including a screwdriver and any other tools recommended by the manufacturer.
- Ensure that your firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Identify the mounting points on your firearm where the base will be attached.
- Align the base with the mounting points, ensuring it fits snugly.
- Secure the base using the screws provided, tightening them firmly but not excessively to avoid stripping the threads.
- If applicable, install any additional components, such as rings or extensions, according to the manufacturer's instructions.

### **3. Usage:**

- Once installed, check the stability of the base by gently tugging on it.
- After confirming it is secure, mount your optic or other equipment according to the manufacturer's instructions.
- Always ensure that the equipment mounted on the base is properly secured before use.

### **4. PostUse Care:**

- After use, clean the base and surrounding area to prevent dirt and debris accumulation.
- Store your firearm and the base in a safe and secure location, away from children and unauthorized users.

## **Disposal Instructions**

- When disposing of the TOP MOUNT BASES #11#62 WEAVER #46 BASE, follow local regulations for the disposal of aluminum and metal products.
- Recycle the product whenever possible to minimize environmental impact.
- Ensure that all components are disposed of safely, especially if they are damaged or no longer usable.
