Safety Instruction Guide for TOP MOUNT BASES #68#604 #410 BASE

Introduction

Thank you for purchasing the TOP MOUNT BASES #68#604 #410 BASE. This guide provides important safety information, installation instructions, and usage guidelines to ensure your product is used safely and effectively. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only with compatible firearms, specifically modern and older rifles, shotguns, and longrange handguns.
- Always check that the bases are securely attached before using your firearm.
- Regularly inspect the bases for signs of wear or damage. Do not use if damaged.
- Keep this product out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- In case of an accident or unsafe product, report it to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's specifications for weight or size when using the bases.
- Ensure that the bases are installed according to the instructions to prevent accidents.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Use caution when handling firearms and ensure they are unloaded when attaching or detaching the bases.
- Always wear appropriate safety gear when using firearms.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded.
- Gather all necessary tools for installation, including a screwdriver if needed.

2. Installation Steps

- Identify the front and rear positions on your firearm where the bases will be installed.
- Align the base with the mounting holes on the firearm.
- Secure the base using the appropriate screws provided, ensuring they are tightened adequately without overtightening.
- Repeat the process for the rear base.
- Doublecheck that both bases are securely attached before proceeding.

3. Usage

- After installation, check the alignment of your optics or sight to ensure proper functionality.
- Regularly inspect the bases and screws for tightness and signs of wear during use.
- If you notice any instability or looseness, stop using the firearm immediately and inspect the bases.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If you need to dispose of the product, check with local waste management for proper disposal methods, especially concerning aluminum materials.
- Do not dispose of the product in regular household waste if it can be recycled.
