### **Introduction**

Thank you for choosing the TOP MOUNT BASES #68#604 #418M BASE. This product is designed for use with a variety of rifles, shotguns, and longrange handguns. To ensure your safety and the optimal performance of this product, please read and follow all safety instructions carefully.

### **General Safety Guidelines**

- Ensure that you are familiar with the operation of your firearm before using this product.
- Always handle firearms with care and treat them as if they are loaded.
- Store this product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the base and mounting hardware for signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories and modifications.

### **Specific Safety Precautions for Use**

- Only use the TOP MOUNT BASES with compatible rifles, shotguns, and handguns.
- Do not exceed the manufacturer's recommended weight limits for mounted optics.
- Avoid using the base in extreme conditions that could affect its performance, such as high humidity or extreme temperatures.
- If you notice any unusual behavior or performance issues while using the base, discontinue use immediately and consult a qualified gunsmith.

### **Instructions for Installation and Usage**

#### **1. Preparation:**

- Gather all necessary tools for installation, including a screwdriver and any additional mounting hardware required.
- Ensure that the firearm is unloaded and pointed in a safe direction.

#### **2. Installation:**

- Identify the front and rear mounting locations on your firearm.
- Align the base with the mounting holes on the firearm.
- Secure the base using the provided screws, ensuring they are tightened to the manufacturer's specifications without overtightening.

#### **3. Usage:**

- Once installed, attach your optic or sight according to the manufacturer's instructions.
- Check the alignment and secure the optic or sight as necessary.
- Always perform a function check before using the firearm to ensure proper installation and operation.

### **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product is damaged beyond use, it should be disposed of in a manner that prevents any potential hazards. Check with local authorities for proper disposal methods.
