## **Introduction**

Thank you for choosing the NODRILL, NOTAP MOUNT SYSTEM WEAVER 301/301S. This product is designed to provide a secure and reliable mounting solution for your Ruger Blackhawk or Super Blackhawk. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## **General Safety Guidelines**

- Ensure that the mount system is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols when using or installing accessories.
- Store this product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the mount system for any signs of wear or damage.
- In case of an emergency or unsafe situation, contact local authorities immediately.

## **Specific Safety Precautions for Use**

- Always ensure that the firearm is unloaded before installing or adjusting the mount system.
- Use only the recommended scope and accessories that are compatible with the mount.
- Avoid using the mount system in extreme weather conditions, as this may affect its performance.
- Do not exceed the manufacturer's weight limit for the mounted scope.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Gather all necessary tools, including a screwdriver and any included mounting hardware.
- Ensure the firearm is unloaded and pointed in a safe direction.

### **2. Installation Steps**

- Locate the existing holes on your Ruger Blackhawk or Super Blackhawk.
- Align the mount system with the holes, ensuring a secure fit.
- Use the provided screws to attach the mount system to the firearm, tightening them securely but avoiding overtightening.
- Once the mount is securely attached, proceed to mount your scope according to the scope manufacturer's instructions.

### **3. Usage**

- After installation, check the stability of the mount and scope.
- Adjust the scope to your preferred settings before taking the firearm to the range or field.
- Always perform a function check to ensure that the mount system holds the scope securely during use.

## **Disposal Instructions**

- Dispose of packaging materials and any unused parts in accordance with local regulations.
- Do not dispose of the mount system in regular household waste. Instead, check with local waste management for proper disposal methods for metal and aluminum products.
