

SEE-THRU MOUNTS - FITS REMINGTON 4,6,7400,7600, BLUE FINISH

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Integral Mount Lets You Use Both Iron Sight And Scope

Extra wide oval opening below the scope allows fast, unrestricted use of iron sights when you're too close to use a scope. All steel, four screw top strap gives 210° surface contact for recoil-proof strength. Integral aluminum base means lighter weight.

SEETHRU MOUNTS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SEETHRU MOUNTS designed for Remington models 4, 6, 7400, and 7600. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is compatible with your specific firearm model.
- Always follow local laws and regulations regarding firearm accessories.
- Inspect the product for any visible damage before use.
- Store the product in a safe place, out of reach of children.
- Use the product only for its intended purpose.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Iron Sights Use:** The extra wide oval opening allows for quick use of iron sights when necessary. Ensure you are familiar with using iron sights before relying on them.
- **RecoilProof Strength:** The four screw top strap provides enhanced stability. Always check that all screws are tightened properly before use.
- **Weight Consideration:** The integral aluminum base reduces weight. Ensure that your firearm can support the additional weight of the mount and scope.
- **Installation:** Follow the installation instructions carefully to avoid any hazards associated with improper mounting.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver appropriate for the screws provided.
- Ensure you are working in a clean, dry area free of distractions.

2. Installation:

- Align the mount with the scope and firearm rail.
- Secure the mount using the provided screws, ensuring that each screw is tightened evenly.
- Check that the mount is stable and does not wobble.

3. Usage:

- After installation, check the alignment of the scope.
- Practice using the iron sights and scope in a safe environment before heading to the field.
- Regularly inspect the mount for any signs of wear or loosening.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and aluminum waste.
- Do not dispose of the product in regular household waste.
- Check with local waste management facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the SEETHRU MOUNTS, please refer to the product packaging for contact information. It is important to have a point of contact for safety inquiries.

By following these guidelines, you can ensure the safe use of your SEETHRU MOUNTS while enjoying the benefits of enhanced accuracy and stability. Always prioritize safety and compliance with local regulations.
