# SEETHRU MOUNT RINGS WEAVER SEETHRU RINGS, MATTE BLUE Safety Instruction Guide

## Introduction

Thank you for choosing the SEETHRU MOUNT RINGS WEAVER SEETHRU RINGS, MATTE BLUE. These rings are designed for secure mounting of scopes on your firearm, ensuring optimal performance and safety. This guide provides essential safety instructions, installation guidelines, and disposal information to help you use this product safely and effectively.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the product with care to avoid accidents or injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any defects, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always follow the manufacturer's guidelines for mounting and using your scope.
- Ensure that the rings are securely attached to the Weaver Top Mount Bases before use.
- Avoid overtightening the screws, as this may damage the rings or the base.
- Be cautious when adjusting the scope to prevent any sudden movements that may lead to accidents.
- Always wear appropriate eye protection while using firearms equipped with scopes.

## Instructions for Installation and Usage

1. **Gather Necessary Tools:** Before starting the installation, ensure you have the following tools: a torque wrench, screwdriver, and any other necessary mounting tools.
2. **Inspect the Product:**
  - Check the SEETHRU MOUNT RINGS for any visible defects or damage.
  - Confirm that the rings fit your specific scope and firearm model.
3. **Mounting the Rings:**
  - Place the rings on the Weaver Top Mount Bases.
  - Align the rings so that they are positioned correctly for the scope tube diameter (1 inch).
  - Securely fasten the rings using the screws provided. Use a torque wrench to ensure proper tightness without overtightening.
4. **Installing the Scope:**
  - Carefully place the scope into the mounted rings.
  - Adjust the scope's position to achieve the desired eye relief (approximately 3/4" or 19mm).
  - Secure the scope in place by tightening the ring screws, ensuring that the scope is level.
5. **Final Checks:**
  - After installation, doublecheck all screws and connections for security.
  - Test the setup by aiming and adjusting the scope to ensure proper functionality.

## **Disposal Instructions**

- When the product reaches the end of its life or is no longer in use, dispose of it responsibly.
- Follow local regulations for disposal of metal products.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product issues, please refer to the manufacturer's contact information provided with your product packaging.
