REDHAWK®/BLACKHAWK® HUNTER MOUNT

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the REDHAWK®/BLACKHAWK® HUNTER MOUNT by WEIGAND COMBAT. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the mount safely and effectively.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the mount.
- Use the product only as intended. This mount is designed for use with the Ruger Redhawk® and Blackhawk® Hunter models.
- Regularly inspect the mount for any signs of wear or damage. Do not use if damaged.
- Ensure that all screws are tightened securely before use to prevent any accidents during shooting.
- Store the mount in a safe and dry place when not in use to prevent corrosion or damage.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.

Specific Safety Precautions for Use

- Ensure that the mount is compatible with your firearm model before installation.
- Use the mount only with firearms that meet the manufacturer's specifications.
- Avoid using the mount in extreme weather conditions that may affect performance.
- Do not exceed the recommended weight limit for accessories attached to the mount.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including the provided mounting screws.

2. Installation

- Align the mount with the integral ring cuts on the barrel of your Redhawk® or Blackhawk® Hunter.
- Insert the mounting screws into the designated holes and tighten them securely using the appropriate tool.
- Check that the mount is firmly attached and does not move or wobble.

3. Usage

- Once installed, attach your optics or accessories to the mount as per the manufacturer's instructions.
- Before firing, doublecheck that everything is secure and properly aligned.
- Conduct a test fire in a safe environment to ensure stability and performance.

Disposal Instructions

- Dispose of the mount and any packaging materials responsibly.
- Follow local regulations regarding the disposal of metal products.
- If the product is damaged or no longer in use, consider recycling it where possible.
