Safety Instruction Guide for 77/22® Tactical Picatinny Scope Mount

Introduction

Thank you for choosing the 77/22® Tactical Picatinny Scope Mount by Weigand Combat. This guide provides essential safety instructions, installation procedures, and general care information to ensure safe and effective use of your product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- **Product Safety:** This mount is designed for use with firearms and should only be installed and used by individuals who are knowledgeable about firearm safety and handling.
- **Enhanced Recalls:** Be aware of any recall notices related to this product. Check the EU Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure the seller complies with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Always supervise young users around firearms.
- **EU Contact Point:** For any safety inquiries, please refer to the EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about any potential safety alerts regarding this product.

Specific Safety Precautions for Use

To minimize risks associated with the use of the 77/22® Tactical Picatinny Scope Mount, follow these precautions:

- **Firearm Safety:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
- **Installation:** Ensure that the firearm is unloaded before proceeding with the installation of the scope mount.
- **Optics Compatibility:** Verify that your scope is compatible with the Picatinny mounting system to avoid instability during use.
- **Inspection:** Regularly check the mount and screws for wear or damage. Replace any worn or damaged parts immediately.
- **Secure Mounting:** Ensure that the mount is securely attached to the firearm before use to prevent accidents.

Instructions for Installation and Usage

Follow these stepbystep instructions for the safe installation and usage of the 77/22® Tactical Picatinny Scope Mount:

Installation Instructions

1. Prepare Your Workspace:

- Work in a clean, welllit area.
- Gather necessary tools, including a screwdriver compatible with the provided screws.

2. Unload Your Firearm:

- Ensure the firearm is completely unloaded.
- Remove any ammunition from the area.

3. **Align the Mount:**

- Position the Picatinny scope mount on the rifle's receiver.
- Ensure that the screw holes align with the factory receiver scope base hole pattern.

4. **Secure the Mount:**

- Insert the screws into the aligned holes.
- Use the screwdriver to tighten the screws securely, but do not overtighten.

5. **Attach the Scope:**

- Follow the scope manufacturer's instructions to attach your scope to the mount.
- Ensure the scope is properly positioned for optimal eye relief.

6. **Final Inspection:**

- Doublecheck that all screws are tightened and that the mount is stable.
- Ensure that the scope is properly secured.

Usage Instructions

- **Check Stability:** Before each use, check that the scope mount is securely attached to the firearm.
- **Adjust Scope:** Make necessary adjustments to the scope for proper sight alignment and eye relief.
- **Practice Safe Handling:** Always follow firearm safety practices when using your rifle.

Disposal Instructions

When disposing of the 77/22® Tactical Picatinny Scope Mount, please follow these guidelines:

- **Environmental Considerations:** Dispose of the mount in accordance with local regulations regarding aluminum and other materials.
- **Recycling:** If possible, recycle the aluminum mount to minimize environmental impact.
- **Hazardous Materials:** Ensure that any screws or small parts are disposed of safely to avoid posing a risk to wildlife or the environment.

Contact Information for Further Support

For any questions or concerns regarding the 77/22® Tactical Picatinny Scope Mount, please refer to the manufacturer's website or contact their support team through the provided channels. Always ensure that you are following the most current safety guidelines and product information.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy your shooting experience with the 77/22® Tactical Picatinny Scope Mount!
