RUGER® MARK I/II™ /III™ DRILL & TAP SCOPEMOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the RUGER® MARK I/II™ /III™ Drill & Tap Scope Mount. This guide provides essential safety instructions, installation guidelines, and disposal information to ensure safe and effective use of the product. Please read this manual carefully before using the scope mount.

General Safety Guidelines

To ensure the safe use of the RUGER® MARK I/II™ /III™ Scope Mount, please follow these guidelines:

- Always ensure that the firearm is unloaded before installation or any handling of the scope mount.
- Inspect the scope mount for any defects or damage before each use.
- Ensure that the installation area is clean and free from any obstructions.
- Keep the scope mount and all related components out of reach of children and unauthorized users.
- Do not use the scope mount for any purpose other than its intended use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

When using the RUGER® MARK I/II™ /III™ Scope Mount, please be aware of the following safety precautions:

- Verify compatibility: Ensure that the scope mount is compatible with your specific model (Mark I, II, III, or 22/45).
- Use appropriate tools: Utilize the recommended tools for installation to avoid damaging the mount or the firearm.
- Avoid overtightening: When securing the scope mount, do not overtighten screws, as this may cause damage to the mount or the firearm.
- Regular checks: Periodically check the scope mount for tightness and integrity, especially after use.
- Follow manufacturer guidelines: Adhere to the manufacturer's recommendations for both the scope mount and the firearm.

Instructions for Installation and Usage

Follow these steps for the correct installation and usage of the RUGER® MARK I/II™ /III™ Scope Mount:

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a screwdriver and the included mounting screws.

2. Installation

- Locate the factorydrilled holes on the receiver or barrel of your firearm.
- Align the scope mount with the drilled holes, ensuring a flush fit.
- Insert the mounting screws into the holes and tighten them securely, but do not overtighten.
- Doublecheck the alignment and tightness of the mount.

3. Usage

- Attach your chosen scope using Weaverstyle rings.
- Ensure that the scope is securely mounted and properly aligned.

- Test the stability of the mount and scope before using the firearm.

Disposal Instructions

Proper disposal of the RUGER® MARK I/II™/III™ Scope Mount is important for environmental safety:

- If the scope mount is damaged or no longer in use, dispose of it in accordance with local regulations.
- Do not dispose of the scope mount in regular household waste.
- Consider recycling options for aluminum materials.

Contact Information for Further Support

For any safety inquiries or additional support regarding the RUGER® MARK I/II™/III™ Scope Mount, please refer to the manufacturer's contact information provided with the product packaging.

Please ensure to follow these safety instructions to maximize your safety and the effectiveness of your RUGER® MARK I/II™/III™ Drill & Tap Scope Mount.
