Ruger® Redhawk®/Blackhawk® Drill & Tap Mount Safety Instructions

Introduction

Thank you for choosing the Ruger® Redhawk®/Blackhawk® Drill & Tap Mount. This product is designed to securely attach a scope to your Ruger's® top strap. To ensure your safety and the proper functioning of the mount, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the mount is compatible with your specific Ruger model (Redhawk®, Blackhawk®, Super Blackhawk®, or GP100®).
- Always handle firearms with care and in accordance with standard safety practices.
- Store the mount and any related tools in a safe place, away from children and unauthorized users.
- Regularly inspect the mount for wear or damage before use.
- Be aware of your surroundings when using your firearm with the mounted scope.

Specific Safety Precautions for Use

- Only use the mount for its intended purpose: to attach a scope to the specified Ruger models.
- Do not attempt to modify the mount or use it with incompatible firearms.
- Ensure the firearm is unloaded before installing or adjusting the mount.
- Use appropriate tools for installation to avoid damaging the mount or firearm.
- Follow all local laws and regulations regarding firearm modifications and use.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools: a drill, drill bits, and mounting screws (included).
- Ensure that your Ruger firearm is completely unloaded and pointed in a safe direction.

2. Drilling and Tapping

- Locate the position on the top strap where the mount will be installed.
- Carefully drill the required holes according to the specifications provided with the mount.
- Tap the holes to prepare them for the mounting screws.

3. Attaching the Mount

- Align the mount with the drilled holes.
- Insert and tighten the mounting screws securely, ensuring the mount is firmly attached.

4. Mounting the Scope

- Attach your scope using Weaverstyle rings (not included).
- Adjust the scope as necessary for optimal viewing.

5. Final Check

- Inspect the installation for stability and ensure all screws are tight.
- Test the mount by gently pulling on the scope to confirm it is secure.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the mount is no longer needed or is damaged, dispose of it responsibly. Check with local authorities for proper disposal methods for metal and aluminum products.

Contact Information for Further Support

For any inquiries regarding the Ruger® Redhawk®/Blackhawk® Drill & Tap Mount, please refer to the manufacturer's contact information provided with your product packaging.

In case of safety concerns or product recalls, please stay informed by checking the EU Safety Gate platform regularly. Report any unsafe products or incidents to the appropriate authorities.

Thank you for your attention to these safety instructions. Enjoy your Ruger® Redhawk®/Blackhawk® Drill & Tap Mount responsibly!
