

# RIFLE ALUMINUM DOVETAIL SLOT BLANK BLACK

[Rifle Parts](#) > [Sights](#) > [Sight Parts](#) > [Front Sight Blanks](#)

## Fills Empty Sight Dovetail Without Fitting

Machined, aluminum, slot blank drops-in easily to fill the empty sight dovetail for a clean-looking barrel. 5-40 set screw locks blank in place and makes removal easy if you want to put a sight back in. Black, anodized finish blends well with most matte and gloss blue barrel finishes.

# Safety Instruction Guide for RIFLE ALUMINUM DOVETAIL SLOT BLANK

## Introduction

Thank you for choosing the RIFLE ALUMINUM DOVETAIL SLOT BLANK. This product is designed to provide a clean and secure solution for filling empty sight dovetails on rifles. By following the safety guidelines and instructions outlined in this document, you can ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle the product with care to avoid injury.
- Ensure that the product is compatible with your specific rifle model before installation.
- Store the product in a cool, dry place, away from direct sunlight and moisture.
- Keep the product out of reach of children and pets.
- Report any unsafe conditions or incidents to local authorities.

## Specific Safety Precautions for Use

- Use the product only for its intended purpose, which is to fill dovetail slots on rifles.
- Ensure that the firearm is unloaded before installation or removal of the slot blank.
- Avoid using excessive force during installation to prevent damage to the rifle or the product.
- Regularly inspect the slot blank for signs of wear or damage. Replace if necessary.
- If you experience difficulty during installation or removal, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Gather necessary tools, including a 5/64" Allen wrench for the set screw.

### 2. Installation:

- Locate the empty dovetail slot on your rifle.
- Align the slot blank with the dovetail slot.
- Gently press the slot blank into the dovetail until it is fully seated.
- Use the 540 set screw to secure the slot blank in place. Tighten the screw just enough to hold the blank securely without overtightening.

### 3. Removal:

- To remove the slot blank, use the 5/64" Allen wrench to loosen the set screw.
- Carefully pull the slot blank out of the dovetail slot.
- Store the blank in a safe location if you plan to reinstall it later.

### 4. Usage:

- The slot blank is designed to remain in place until you choose to install a sight. Ensure the blank is secure before using the rifle.

## **Disposal Instructions**

- Dispose of the RIFLE ALUMINUM DOVETAIL SLOT BLANK in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling it if possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the RIFLE ALUMINUM DOVETAIL SLOT BLANK, please contact the manufacturer or your local retailer. Ensure you have the product details available for reference.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with confidence and safety!
