

# FIRE SIGHT RAMP BLACK .410"

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

## Replaces Fragile, Plastic Ramps With Sturdy, One-Piece Metal

No need to worry about breaking a sight ramp when you're busting through heavy brush. Solid, on-piece, CNC machined aluminum ramp attaches with one 6-48 screw and gives you a bright, glowing, sight picture. Fire red, fiber optic rod glows brightly using only available, natural light for high visibility.

# FIRE SIGHT RAMP Safety Instruction Guide

## Introduction

Thank you for choosing the FIRE SIGHT RAMP. This product is designed to provide a reliable and enhanced sighting experience for your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms responsibly and safely.
- Ensure that the FIRE SIGHT RAMP is installed correctly before use.
- Regularly inspect the sight ramp for any signs of damage or wear.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to sight misalignment.
  - Using the product with incompatible firearms can cause malfunction.
- **Avoiding Hazards:**
  - Follow installation instructions carefully.
  - Ensure that the sight ramp is compatible with your firearm's specifications.
  - Do not modify the product in any way.
- **AgeSpecific Warnings:**
  - This product is intended for use by individuals aged 18 and older.
  - Keep the product away from children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Use the provided 648 screw to attach the FIRE SIGHT RAMP to the firearm.
- Tighten the screw securely but avoid overtightening to prevent damage.
- Check that the sight ramp is properly aligned and stable.

### 2. Usage:

- Use the sight ramp in natural light for optimal visibility of the fire red fiber optic rod.
- Regularly check the sight alignment before use, especially after transportation or storage.
- If the sight ramp becomes damaged, cease use immediately and replace it.

## Disposal Instructions

- Dispose of the FIRE SIGHT RAMP in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the FIRE SIGHT RAMP, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the FIRE SIGHT RAMP!
