

RIFLE FIRE SIGHT RAMP .485" FIBER OPTIC ORANGE

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

No need to worry about breaking a sight ramp when you're busting through heavy brush. Solid, on-piece, CNC machined aluminum ramp attaches with one 6-48 screw and gives you a bright, glowing, sight picture. Fire red, fiber optic rod glows brightly using only available, natural light for high visibility.

Safety Instruction Guide for RIFLE FIRE SIGHT RAMP

Introduction

Thank you for purchasing the RIFLE FIRE SIGHT RAMP. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle the sight ramp with care to avoid injury.
- Inspect the sight ramp regularly for signs of wear or damage.
- Keep the product out of reach of children.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the sight ramp if it is damaged or broken.
- Ensure that the sight ramp is securely attached before use.
- Avoid using the sight ramp in conditions that may impair visibility, such as low light or heavy rain.
- Be aware of your surroundings when using the rifle equipped with the sight ramp to prevent accidents.
- Use protective eyewear when handling or using firearms.

Instructions for Installation and Usage

1. Installation

- Ensure that the rifle is unloaded and pointed in a safe direction before beginning installation.
- Locate the mounting area on your rifle where the sight ramp will be attached.
- Use a suitable tool to secure the sight ramp using the provided 648 screw.
- Tighten the screw until the sight ramp is firmly in place, but avoid overtightening which may damage the ramp.

2. Usage

- When aiming, ensure that your eye is aligned with the fiber optic rod for optimal visibility.
- Use natural light to enhance the brightness of the fiber optic rod during use.
- Regularly check the alignment of the sight ramp and make adjustments as necessary.

Disposal Instructions

- Dispose of the sight ramp in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries or support regarding the RIFLE FIRE SIGHT RAMP, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for following these safety guidelines and instructions. Your safety is our priority.
