

RIFLE FIBER OPTIC 500M FRONT SIGHT - WILLIAMS GUN SIGHT

.500" FIBER OPTIC 500M FRONT SIGHT STEEL RED

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

Easy-to-install front sights for popular centerfire and muzzleloading rifles gather ambient light for superb visibility. The more light, the brighter the round, red beads glow; won't "wash out" even in the strongest sunlight. Medium sights fit most factory ramps including Marlin and Remington.

Safety Instruction Guide for RIFLE FIBER OPTIC 500M FRONT SIGHT

Introduction

Thank you for choosing the RIFLE FIBER OPTIC 500M FRONT SIGHT by WILLIAMS GUN SIGHT. This product is designed to enhance your shooting experience by providing superior visibility in various lighting conditions. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure you are aware of your surroundings and follow local laws regarding firearm usage.
- Use this front sight only on compatible rifles as specified in the product specifications.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the front sight for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- The front sight is designed for adult use only. Keep it away from children.
- Use only on rifles that fit the specified dovetail dimensions.
- Avoid using in extreme weather conditions where visibility may be compromised.
- Do not attempt to modify or alter the front sight in any way.
- Ensure the sight is properly installed before using the firearm.

Instructions for Installation and Usage

Installation

1. **Tools Required:** Ensure you have the necessary tools, including a screwdriver suitable for your rifle's dovetail.
2. **Remove Existing Sight:** If applicable, carefully remove the existing front sight from your rifle.
3. **Align the Sight:** Position the RIFLE FIBER OPTIC front sight into the dovetail slot.
4. **Secure the Sight:** Use the screwdriver to tighten the sight securely, ensuring it fits snugly without excessive force.
5. **Check Alignment:** Verify that the sight is aligned correctly with your rifle's barrel.

Usage

- Ensure that your rifle is pointed in a safe direction when using the front sight.
- Familiarize yourself with the sight's visibility in different lighting conditions.
- Practice shooting with the new sight to adjust to its use and improve accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not incinerate or expose the product to extreme heat.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any questions or concerns regarding the RIFLE FIBER OPTIC 500M FRONT SIGHT, please refer to the manufacturer's contact information provided with your purchase. It is important to reach out to a knowledgeable representative for guidance related to safety and product support.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our priority. Enjoy your shooting experience with the RIFLE FIBER OPTIC 500M FRONT SIGHT!
