MARLIN 60 FIRE SIGHT SET Safety Instruction Guide

Introduction

Thank you for purchasing the MARLIN 60 Fire Sight Set. This product is designed to enhance your shooting experience by providing improved visibility and accuracy. Please read this safety instruction guide carefully to ensure safe use and proper installation of your sight set.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the sight set.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the sight set and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage to the sight set and your firearm.
- If you experience any malfunction or issue, cease use immediately and consult a qualified gunsmith or professional.

Specific Safety Precautions for Use

- Only use the MARLIN 60 Fire Sight Set with the Marlin Model 60 rimfire firearm.
- Ensure that the sight set is installed correctly to avoid misalignment that could lead to accidents.
- Be aware of your surroundings when using your firearm, and ensure that you have a clear and safe shooting area.
- Use eye protection and hearing protection while shooting.
- Do not modify or attempt to repair the sight set yourself. Seek professional assistance if needed.
- Keep your fingers away from the trigger until you are ready to shoot.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver and any other required tools for installation.

2. Removing the Factory Sights:

- Locate the factory open sight sets on your Marlin Model 60.
- Carefully remove the existing sights by unscrewing them from the dovetail mount.

3. Installing the Fire Sight Set:

- Align the dovetail base of the MARLIN 60 Fire Sight Set with the mounting slot on your firearm.
- Gently slide the sight into the dovetail until it is fully seated.
- Secure the sight in place using the provided screws, ensuring it is tight but not overtorqued.

4. Adjusting the Sights:

- Use the adjustment screws to set the windage and elevation as needed for accurate shooting.
- Test the alignment by firing a few rounds and making further adjustments if necessary.

Usage Instructions

- Always check that the sight is securely attached before each use.
- Familiarize yourself with the sight's features, including the Ushaped rear sight and the red front bead.
- Practice aiming and shooting at a safe range to become accustomed to the new sight set.

Disposal Instructions

- When disposing of the MARLIN 60 Fire Sight Set, follow local regulations for the disposal of firearm accessories.
- If the sight set is damaged beyond repair, ensure it is disposed of in a way that prevents accidental use by unauthorized individuals.
- Consider recycling components where applicable, in accordance with local guidelines.

Contact Information for Further Support

For any questions or concerns regarding the MARLIN 60 Fire Sight Set, please refer to the manufacturer's contact information provided with your product packaging. It is essential to reach out to a qualified professional for assistance with installation, safety inquiries, or product recalls.

By following these safety instructions and guidelines, you can ensure a safer and more enjoyable shooting experience with your MARLIN 60 Fire Sight Set. Always prioritize safety and responsible firearm handling.
