

RUGER® REVOLVER FIRE SIGHT FIBER OPTIC SIGHT SETS - WILLIAMS GUN SIGHT RUGER® GP100®, REDHAWK®/SUPER REDHAWK®, SUPER BLACKHAWK® HUN

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Direct replacements for factory sights on popular handguns gather ambient light for superb visibility. The more light, the brighter the rods glow. 3-dot sight picture; front sight has red insert, rear has two green inserts. The Fire Sights for guns originally equipped with fixed sights are also fixed. If the gun was originally equipped with an adjustable rear sight, the Fire Sight will be adjustable.

RUGER® Revolver Fire Sight Fiber Optic Sight Sets Safety Instruction Guide

Introduction

Thank you for choosing the RUGER® Revolver Fire Sight Fiber Optic Sight Sets from Williams Gun Sight. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new sight set. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- **Product Safety:**

- Ensure safe use of the sight sets by following all instructions.
- Understand that these products are designed for specific models of handguns. Using them on incompatible models may pose safety risks.

- **Enhanced Recalls:**

- Stay informed about any recalls related to your product. If a recall occurs, follow the instructions provided for remedy.

- **Online Shopping:**

- If purchased online, ensure the retailer complies with safety standards.

- **Special Consumer Focus:**

- Keep the sight sets out of reach of children and vulnerable individuals to avoid accidental injury.

- **EU Contact Point:**

- For safety inquiries, refer to the contact point provided by your retailer.

- **Rapid Alerts:**

- Regularly check for updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the sight sets.
- Use appropriate tools as specified in the installation instructions to avoid damage to the sight or firearm.
- Avoid using the sight sets in extreme weather conditions, such as heavy rain or snow, as visibility may be affected.
- Do not modify the sight sets in any way. Modifications can compromise safety and performance.
- Ensure that the sight is securely attached before using the firearm.
- Regularly inspect the sight sets for damage or wear. Replace them if any issues are detected.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Required Tools:**

- Screwdriver appropriate for your firearm's screws.
- Allen wrench (if applicable).

2. Prepare Your Firearm:

- Ensure the firearm is unloaded and pointed in a safe direction.

3. Remove Existing Sights:

- Carefully remove the factory-installed sights according to your firearm's manual.

4. Install the Fire Sight:

- Align the front sight with the designated slot on your firearm.
- Secure the sight using the screws provided, ensuring they are tightened but not overtightened to avoid damage.

5. Install Rear Sight:

- Align the rear sight in the appropriate position.
- Secure it in place as instructed for the front sight.

6. Check Alignment:

- Verify that both sights are aligned properly for optimal aiming.

Usage Instructions

- Once installed, practice using the sights in a safe environment.
- Adjust the sights if necessary, following the instructions provided for adjustable models.
- Familiarize yourself with the sight picture and how to align it for accurate shooting.

Disposal Instructions

- When disposing of the sight sets, do so in accordance with local regulations.
- Do not dispose of the sight sets in regular household waste; check for local recycling programs for optical components.

Contact Information for Further Support

For any questions or concerns regarding the installation or use of the RUGER® Revolver Fire Sight Fiber Optic Sight Sets, please refer to the contact information provided by your retailer. Always prioritize safety and do not hesitate to seek assistance if needed.

By adhering to these guidelines, you can ensure a safe and enjoyable experience with your new sight sets. Thank you for prioritizing safety and responsible firearm usage.
