

S&W FIRE SIGHT FIBER OPTIC SIGHT SETS - WILLIAMS GUN SIGHT S&W M&P BODYGUARD 380 FIRE SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Direct replacements for factory sights on popular handguns gather ambient light for superb visibility. The more light, the brighter the rods glow. 3-dot sight picture; front sight has green insert, rear has two orange inserts. The Fire Sights for guns originally equipped with fixed sights are also fixed. If the gun was originally equipped with an adjustable rear sight, the Fire Sight will be adjustable.

S&W Fire Sight Fiber Optic Sight Sets Safety Instruction Guide

Introduction

Thank you for choosing the S&W Fire Sight Fiber Optic Sight Sets for your Smith & Wesson M&P Bodyguard 380. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your new sights. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model before installation.
- Always handle your firearm responsibly and in accordance with local laws.
- Keep firearms and accessories out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Visibility:** The fiber optic sights are designed to gather ambient light for enhanced visibility. Ensure that lighting conditions are adequate for optimal performance.
- **Installation:** Follow installation instructions carefully to avoid improper fitting, which could affect sight alignment and accuracy.
- **Shooting Environment:** Be aware of your shooting environment and ensure a safe backdrop. Always follow the basic rules of firearm safety.
- **Adjustable Sights:** If your firearm originally came with adjustable sights, ensure that the Fire Sights are adjusted correctly before use.
- **Maintenance:** Regularly clean and maintain your sights to ensure longevity and performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction before beginning installation.
- Gather necessary tools (e.g., screwdriver, sight pusher) for installation.

2. Installation:

- Remove the existing factory sights from your firearm according to the manufacturer's instructions.
- Align the new Fire Sights with the sight dovetail on your firearm.
- Secure the front sight with the appropriate screw or tool, ensuring it is tight and properly aligned.
- If installing the rear sight, repeat the alignment and securing process.
- Check the alignment of the sights to ensure they are straight and level.

3. Usage:

- When using the sights, ensure that your stance and grip on the firearm are stable.
- Focus on the front sight while aiming, allowing the rear sight and target to blur.
- Adjust your aim based on your shooting experience and conditions.

Disposal Instructions

- Dispose of packaging materials responsibly and in accordance with local regulations.
- If the product becomes damaged beyond use, dispose of it in a way that prevents accidental use by unauthorized individuals.

Contact Information for Further Support

For safety inquiries or assistance regarding your S&W Fire Sight Fiber Optic Sight Sets, please reach out to the designated EU contact point provided with your product packaging or visit the manufacturer's website for more information.

Conclusion

Your safety and satisfaction are our priorities. By following these guidelines, you can ensure a safe and enjoyable experience with your S&W Fire Sight Fiber Optic Sight Sets. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important instructions.
