Introduction

Thank you for purchasing the SHOTGUN SHORTY RAMPS by WILLIAMS GUN SIGHT. This product is designed to enhance your shooting experience by providing a reliable sighting solution. However, safety is paramount when using any firearm accessories. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat all firearms and accessories as if they are loaded.
- Ensure that you are familiar with the operation of your firearm before using this product.
- Keep firearms pointed in a safe direction at all times.
- Store the product and any firearms in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Regularly inspect the product for any signs of wear or damage before use.
- If you experience any issues while using the product, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- Ensure that the SHOTGUN SHORTY RAMPS are compatible with your shotgun model before installation.
- Do not modify the product or use it in a manner not intended by the manufacturer.
- Avoid using the product in adverse weather conditions that may affect visibility or safety.
- Be aware of your surroundings and ensure a clear line of sight when aiming.
- Always follow the manufacturer's instructions for installation and usage.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any other recommended tools.
2. **Prepare the Shotgun:** Ensure your shotgun is unloaded and pointed in a safe direction.
3. **Remove Existing Sight:** If applicable, carefully remove any existing sight from the shotgun barrel.
4. **Align the Ramp:** Position the SHOTGUN SHORTY RAMPS on the shotgun barrel, aligning with the standard 3/8" dovetail.
5. **Secure the Ramp:** Use the screws provided to secure the ramp in place. Ensure it is firmly attached but do not overtighten.
6. **Check Alignment:** Ensure the ramp is correctly aligned before proceeding to use the shotgun.

Usage

- After installation, check the ramp for stability and alignment before each use.
- When aiming, ensure that the sight picture is clear and unobstructed.
- Practice shooting in a controlled environment to become familiar with the sight.
- Regularly clean and maintain the sight to ensure optimal performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is damaged or no longer in use, dispose of it responsibly, ensuring it does not pose a risk to the environment or public safety.
- Check local regulations for specific disposal instructions regarding firearm accessories.
