Safety Instruction Guide for SCREWON STREAMLINED RAMP WILLIAMS GUN SIGHT

Introduction

Thank you for choosing the SCREWON STREAMLINED RAMP from WILLIAMS GUN SIGHT. This product is designed to enhance your shooting experience by providing a reliable sighting solution. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle the product with care to prevent injury.
- Ensure the product is suitable for your specific firearm model before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications when tightening screws.
- Ensure that the sight is securely attached before use to prevent accidents.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Do not modify the product in any way that could compromise its safety.
- Always wear appropriate eye protection when using firearms.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a screwdriver suitable for the screws provided with the ramp.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation

- Locate the dovetail on your firearm where the ramp will be installed.
- Align the ramp with the dovetail, ensuring that the screw holes are properly positioned.
- Using the provided screws, attach the ramp:
 - Insert the first screw under the sight and tighten securely.
 - Insert the second screw on the ramp and tighten securely.
- Check that the ramp is firmly attached and does not move.

3. Usage

- When using the firearm, ensure that the ramp is properly aligned with your line of sight.
- Make any necessary adjustments to the sight for optimal accuracy.
- Regularly check the tightness of the screws during use to ensure continued safety.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and firearm accessories.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, take it to a designated recycling facility.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your SCREWON STREAMLINED RAMP from WILLIAMS GUN SIGHT. Thank you for your attention to safety.
