

RIFLE FIBER OPTIC 290N FRONT SIGHT - .290" FIBER OPTIC 290N FRONT SIGHT STEEL RED

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

Easy-to-install front sights for popular centerfire and muzzleloading rifles gather ambient light for superb visibility. The more light, the brighter the round, red beads glow; won't "wash out" even in the strongest sunlight. Narrow sights fit Williams Streamlined and Shorty Ramps.

RIFLE FIBER OPTIC 290N FRONT SIGHT Safety Instruction Guide

Introduction

Thank you for choosing the RIFLE FIBER OPTIC 290N FRONT SIGHT. This guide provides essential safety instructions and information to ensure the safe use and installation of your new front sight. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the front sight is installed correctly to avoid accidents.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the front sight and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the front sight for damage or wear before each use.
- Use the front sight only with compatible firearms as specified by the manufacturer.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not attempt to modify the front sight in any way, as this may compromise safety.
- Avoid using the front sight in extreme weather conditions that may affect visibility or performance.
- Always wear eye protection when using firearms equipped with the front sight.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all manufacturer guidelines regarding the use of the front sight.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction before installation.
- Gather necessary tools for installation, including a screwdriver and any other required equipment.

2. Installation:

- Remove the existing front sight from the firearm, if applicable.
- Align the RIFLE FIBER OPTIC 290N FRONT SIGHT with the dovetail slot on the firearm.
- Gently tap the sight into place using a nonmarring tool, ensuring it is securely fitted.
- Confirm that the sight is level and straight before securing it in place.

3. Usage:

- Once installed, test the front sight for stability and alignment.
- Adjust the sight as necessary for optimal visibility and accuracy.
- Familiarize yourself with the sight before using it in a live shooting scenario.

Disposal Instructions

- Dispose of the front sight in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the front sight in regular household waste.
- If the product is damaged or no longer in use, consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your product.

By following these guidelines, you can ensure a safe and enjoyable experience with your RIFLE FIBER OPTIC 290N FRONT SIGHT. Thank you for prioritizing safety.
