

# RIFLE FIBER OPTIC 450M FRONT SIGHT - WILLIAMS GUN SIGHT .450" FIBER OPTIC 450M FRONT SIGHT STEEL RED

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

Easy-to-install front sights for popular centerfire and muzzleloading rifles gather ambient light for superb visibility. The more light, the brighter the round, red beads glow; won't "wash out" even in the strongest sunlight. Medium sights fit most factory ramps including Marlin and Remington.

# Safety Instruction Guide for RIFLE FIBER OPTIC 450M FRONT SIGHT

## Introduction

Thank you for choosing the RIFLE FIBER OPTIC 450M FRONT SIGHT by WILLIAMS GUN SIGHT. This product is designed to enhance your shooting experience by providing superior visibility in various lighting conditions. To ensure your safety and the proper use of this front sight, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use with centerfire and muzzleloading rifles. Always ensure that the product is used according to the instructions provided.
- **Enhanced Recalls:** In the event of a safety issue, stay informed about recalls and safety notices. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping Safety:** If purchased online, ensure that the retailer complies with safety requirements as mandated by EU regulations.
- **Vulnerable Groups:** Special care should be taken when this product is used around children or inexperienced individuals. Ensure they are supervised at all times.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point provided by your retailer.
- **Rapid Alerts:** Stay updated on any product safety alerts through the Safety Gate system.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the firearm is unloaded before installing the front sight.
- Use appropriate tools to avoid damaging the sight or firearm during installation.

### • Usage Precautions:

- Always aim in a safe direction and handle the firearm responsibly.
- Do not use the front sight in conditions where visibility is severely impaired (e.g., fog, heavy rain).
- Regularly inspect the front sight for any signs of wear or damage.

### • Storage Precautions:

- Store the firearm and front sight in a secure location, out of reach of children.
- Keep the sight clean and free from moisture to prevent rust or damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing front sight if applicable, using the appropriate tools.
- Align the RIFLE FIBER OPTIC 450M FRONT SIGHT with the dovetail on your rifle.
- Secure the sight in place, ensuring it is properly fitted and stable.
- Check the alignment to ensure that it is straight and level.

### 2. Usage:

- Once installed, familiarize yourself with the sight's functionality.
- Use the sight in welllit conditions for optimal visibility.
- Adjust your shooting stance and aim to utilize the enhanced visibility of the fiber optic beads.
- Practice regularly to become proficient in using the sight effectively.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling center if applicable.

## **Contact Information for Further Support**

For any additional questions or concerns regarding the RIFLE FIBER OPTIC 450M FRONT SIGHT, please contact your retailer or refer to the manufacturer's website for further support. Always ensure you have the product details at hand when seeking assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RIFLE FIBER OPTIC 450M FRONT SIGHT. Thank you for your attention to safety and responsible handling of firearms.
