# Safety Instruction Guide for RIFLE WGOS BASE

## Introduction

Thank you for choosing the RIFLE WGOS BASE .660-.730" BBL DIA from WILLIAMS GUN SIGHT. This product is designed to enhance your shooting experience by providing precisionmade sight bases and blades. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Inspect the product regularly for any signs of wear or damage.
- Ensure that all adjustments are securely tightened before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recalls or safety alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the sight base is compatible with your rifle before installation.
- Do not exceed the specified barrel diameter range (0.660" to 0.730").
- Always use the correct tools for adjustments to avoid damaging the product.
- Avoid using excessive force when making adjustments to prevent injury or damage.
- Never attempt to modify the product beyond the manufacturer's specifications.
- Keep your workspace clean and organized to prevent accidents during installation.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a screwdriver suitable for the screws on the sight base.
- Ensure that your rifle is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Identify the correct base size for your barrel diameter:
  - Small: .347" radius, fits .660" to .730" dia. barrels
  - Medium: .395" radius, fits .730" to .830" dia. barrels
  - Large: .440" radius, fits .830" to .930" dia. barrels
  - XLarge: .5625" ctoc hole spacing, .475" radius, fits .900" to 1" dia. barrels
  - One Inch: 1" ctoc hole spacing, .500" radius, fits 1" dia. barrels
  - 26mm: .550" radius, fits 1" to 1.1" dia. barrels
- Align the sight base with the barrel.
- Use the provided screws to secure the sight base in place.
- Make windage and elevation adjustments as needed, ensuring the gib locks are tightened.
- Confirm that all screws are securely fastened before using the rifle.

### 3. Usage Instructions

- When adjusting the sight, loosen only one screw to make quick adjustments.
- After adjustments, ensure all screws are tightened before firing.
- Regularly check the sight base for stability and alignment during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal and plastic components where applicable.

## **Contact Information for Further Support**

For any safety inquiries regarding the RIFLE WGOS BASE, please refer to the manufacturer's contact details provided with your product packaging.
