# RUGER® 10/22® 3DOT FIRE SIGHTS Safety Instruction Guide

## Introduction

Thank you for choosing the RUGER® 10/22® 3DOT FIRE SIGHTS. This guide provides essential safety information to ensure the safe use and installation of your sight system. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always handle firearms and accessories with care, following all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight system for any signs of wear or damage.
- Use the sight system only with compatible firearm models as specified by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Never point the firearm at anything you do not intend to shoot.
- Use appropriate eye and ear protection while shooting.
- Ensure the firearm is pointed in a safe direction when installing or adjusting the sights.
- Do not attempt to modify or alter the sight system in any way, as this may compromise safety and performance.
- Be cautious of environmental factors such as wind and light conditions that may affect sight visibility.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights according to the manufacturer's instructions.
- Align the dovetail base of the front sight with the corresponding slot on the firearm.
- Gently tap the sight into place using a nonmarring tool if necessary.
- For rear sights, align the sight with the dovetail slot and secure it in place.
- Ensure both sights are firmly attached and properly aligned.

### 2. Usage:

- Adjust the rear sight for windage and elevation as needed. Refer to the specific adjustment instructions provided by the manufacturer.
- Use the bright red front sight in conjunction with the green rear dots for optimal sight acquisition.
- Practice shooting in various light conditions to become familiar with sight performance.
- Always clean the sight system regularly to maintain visibility and functionality.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consider recycling options or contact local waste management for proper disposal.
