

# RIFLE 1/4" WGOS REAR SIGHT - WILLIAMS GUN SIGHT RIFLE ADJUSTABLE FIBER OPTIC 1/4" WGOS REAR SIGHT GREEN

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

## Upgrade Your Factory Sights With Easy-To-See, Fiber Optics

U-notch, rear sight sets use the highly accurate, 3-dot pattern with two green, fiber optic dots at the rear for sharp contrast and quick sight acquisition in all light conditions. No drilling or tapping required for most rifle models.

Dovetailed front and rear sights may require minor fitting. Rear slide/blade combo fits all standard size, Williams, adjustable, rear guide, open sight bases. Converts traditional, rear iron sights into Fire Sights. Aluminum blade contains a single, U-shaped, green, fiber optic rod for 2-dot accuracy. Use with existing, factory, front sight or with fiber optic, Williams Rifle Sight Bead found elsewhere. Available in three heights. Use with Slide/Ghost Ring.

# RIFLE 1/4" WGOS REAR SIGHT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the RIFLE 1/4" WGOS Rear Sight by Williams Gun Sight. This guide provides essential safety instructions, installation tips, and usage guidelines to ensure safe and effective operation of your new rear sight. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a rear sight for rifles.
- Always handle firearms with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Inspect the sight for any damage or defects before installation and use.
- If you notice any issues, do not use the sight and contact a professional for assistance.
- Be aware of your surroundings and ensure a safe environment when using your firearm.

## Specific Safety Precautions for Use

- Use the rear sight only with compatible rifle models to avoid improper fit and potential hazards.
- Ensure that the sight is securely attached before using the firearm to prevent accidents.
- Avoid using the sight in extreme weather conditions that could impair visibility.
- Do not attempt to modify the sight or install it in a way not recommended by the manufacturer.
- Always wear appropriate eye and ear protection when using firearms.
- Be mindful of the sight's fiber optic components, as they can be fragile. Handle with care to avoid breakage.

## Instructions for Installation and Usage

### Installation

1. **Check Compatibility:** Ensure your rifle model is compatible with the WGOS rear sight.
2. **Gather Tools:** You may need basic tools such as a screwdriver for installation.
3. **Remove Existing Sight:** If applicable, carefully remove the existing rear sight from your rifle.
4. **Align the Sight:** Position the WGOS rear sight into the dovetail slot on your rifle.
5. **Secure the Sight:** Use the appropriate tools to secure the sight in place. Ensure it is snug but do not overtighten.
6. **Check Alignment:** Verify that the sight is aligned properly with the front sight for accurate aiming.

### Usage

1. **Familiarize Yourself:** Before using the sight in a shooting environment, practice aiming with it in a safe location.
2. **Adjust as Needed:** Use the adjustable features of the sight to suit your shooting preferences.
3. **Practice Safety:** Always follow firearm safety rules when aiming and shooting.

## Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- If the sight is damaged or no longer usable, consider recycling the materials where possible.
- Do not dispose of the sight in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the RIFLE 1/4" WGOS Rear Sight, please refer to the manufacturer's website or contact their customer support.

Thank you for following these safety instructions. Your safety and enjoyment are our top priority. Always remember to use firearms responsibly and in accordance with local laws and regulations.
