

RIFLE 5/16" WGOS REAR SIGHT - WILLIAMS GUN SIGHT RIFLE ADJUSTABLE FIBER OPTIC 5/16" WGOS REAR SIGHT GREEN

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

U-notch, rear sight sets use the highly accurate, 3-dot pattern with two green, fiber optic dots at the rear for sharp contrast and quick sight acquisition in all light conditions. No drilling or tapping required for most rifle models. Dovetailed front and rear sights may require minor fitting. Rear slide/blade combo fits all standard size, Williams, adjustable, rear guide, open sight bases. Converts traditional, rear iron sights into Fire Sights. Aluminum blade contains a single, U-shaped, green, fiber optic rod for 2-dot accuracy. Use with existing, factory, front sight or with fiber optic, Williams Rifle Sight Bead found elsewhere. Use with Slide/Ghost Ring.

RIFLE 5/16" WGOS REAR SIGHT SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the RIFLE 5/16" WGOS Rear Sight. This product has been designed for accuracy and ease of use. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is compatible with your rifle model before installation.
- Always handle firearms responsibly and in accordance with local laws.
- Keep the rear sight and all firearm components clean and free from debris.
- Use the rear sight only for its intended purpose.
- Always wear appropriate eye protection when using firearms.
- Store the rear sight and firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the rear sight for wear or damage before use.

Specific Safety Precautions for Use

- Do not attempt to modify the rear sight or any other firearm components.
- Be aware of your surroundings when using firearms to ensure safety for yourself and others.
- Ensure that the rifle is unloaded when installing or adjusting the rear sight.
- Avoid using the rear sight in extreme weather conditions that may affect visibility.
- If you experience any issues with the rear sight, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove any existing rear sight if applicable, following the manufacturer's instructions.
- Align the dovetail of the new rear sight with the rifle's sight base.
- Gently tap the sight into place using a nonmarring tool if necessary.
- Ensure the sight is securely fitted and does not move.

2. Usage:

- Use the rear sight in conjunction with the existing front sight or a compatible fiber optic sight.
- Adjust the sight as needed for optimal accuracy.
- Practice using the sight in various lighting conditions to familiarize yourself with its performance.

Disposal Instructions

- Dispose of the rear sight in accordance with local regulations.
- If the rear sight is damaged or no longer usable, do not discard it in regular waste. Instead, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the RIFLE 5/16" WGOS Rear Sight, please refer to the manufacturer's website or customer service for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your RIFLE 5/16" WGOS Rear Sight. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these guidelines.
