Safety Instructions for TRADITIONS BUCKHUNTER SIGHT SET

Introduction

Thank you for choosing the TRADITIONS BUCKHUNTER SIGHT SET. This product is designed to enhance your shooting experience with its fiber optic sights. To ensure your safety and the effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the sight.
- Use the sight only for its intended purpose. Misuse may lead to accidents or injury.
- Keep the sight and all components out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure that the contrasting red front and green rear fiber optic dots are clearly visible before use.
- Avoid using the sight in extreme weather conditions, such as heavy rain or fog, which may impair visibility.
- When adjusting the rear sight, make small adjustments to avoid overcorrection.
- Store the sight in a protective case when not in use to prevent damage.
- Be aware of your surroundings and ensure a clear line of sight before engaging in shooting activities.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory sights from your firearm using appropriate tools.
- Align the TRADITIONS BUCKHUNTER SIGHT SET with the mounting holes on your firearm.
- Secure the sight using the screws provided, ensuring it is tightly fitted but not overtightened.
- Check the alignment by looking through the sight and adjusting as necessary.

2. Usage:

- Familiarize yourself with the sight by practicing in a controlled environment.
- Use proper shooting stance and grip for accuracy.
- Adjust your aim based on the visibility of the fiber optic dots in different lighting conditions.
- After each shooting session, clean the sight according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the sight and any packaging materials in accordance with local regulations.
- Do not dispose of the sight in regular household waste if it contains nonbiodegradable materials.
- Consider recycling options for materials that can be recycled, such as aluminum components.
