# 1911 Extended Ejector Wilson Combat Safety Instructions

## Introduction

Thank you for choosing the 1911 Extended Ejector by Wilson Combat. This product is designed to enhance the performance of your firearm by ensuring reliable case ejection, thereby reducing the risk of jams. This safety instruction guide aims to provide you with essential information regarding the safe use, installation, and disposal of the ejector, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Always use appropriate eye and ear protection when operating firearms.
- Store the firearm and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components to ensure they are in good working condition.
- Be aware of your surroundings and ensure a clear area before firing.

## Specific Safety Precautions for Use

- Ensure that the ejector is compatible with your specific model of the 1911 Government.
- Do not attempt to modify the ejector or any other part of the firearm without consulting a qualified gunsmith.
- Avoid using ammunition that does not meet the specifications for your firearm.
- Always follow the manufacturer's instructions for use and maintenance.
- If you experience any malfunctions or irregularities, cease use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and the magazine is removed.
- Gather necessary tools, including a screwdriver and any other required equipment.

### 2. Installation:

- Remove the factory ejector from the firearm following the manufacturer's instructions.
- Carefully install the 1911 Extended Ejector by Wilson Combat in the designated slot.
- Ensure that the ejector is securely fastened and properly aligned.
- Minor fitting may be required; consult a qualified gunsmith if needed.

### 3. Usage:

- After installation, perform a function check to ensure proper operation.
- Load the firearm with appropriate ammunition and ensure it is in a safe environment.
- Fire the firearm in a controlled manner, observing all safety guidelines.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearms and firearm components.
- Do not dispose of the ejector in regular household waste.
- Contact local authorities or waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please refer to your local regulatory authority or the EU Safety Gate platform.

Thank you for prioritizing safety and responsible firearm use.
