

# 1911 FIRING PIN RETURN SPRING - WILSON COMBAT XP FIRING PIN RETURN SPRING

[Handgun Parts](#) > [Action Parts](#) > [Firing Pin Parts](#) > [Firing Pin Springs](#)

## "Extra Power" Replacement Spring Helps Prevent Accidental Discharge

Steel replacement spring helps reduce the possibility of discharge if pistol is dropped without reducing ignition reliability. Also minimizes firing pin bounce, and helps keep the firing pin stop in place. Fits all 1911 Autos.

# 1911 Firing Pin Return Spring Safety Instructions

## Introduction

Thank you for purchasing the 1911 Firing Pin Return Spring from Wilson Combat. This product is designed to enhance the safety and reliability of your firearm. Please read this safety instruction guide carefully to ensure proper use and installation, and to understand the safety precautions necessary to protect yourself and others.

## General Safety Guidelines

- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Always handle firearms with care and follow standard safety protocols.
- This product is intended for use with 1911 Autos, specifically the Government, Commander, and Officers models.
- Keep this product and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the firing pin return spring for wear or damage and replace as necessary.
- In the event of an accident or malfunction, seek professional assistance immediately.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Risk of accidental discharge if the firearm is dropped.
- Improper installation may lead to malfunction or failure to fire.

### • Instructions to Avoid Hazards:

- Always ensure that the firearm is pointed in a safe direction during handling.
- Do not install the firing pin return spring while the firearm is loaded.
- Verify that the firing pin stop is correctly positioned after installation.
- Avoid using excessive force when installing or removing the spring.

### • Age Specific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that all users are trained in firearm safety and handling.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and the magazine is removed.
- Clean the area where the firing pin return spring will be installed.

### 2. Installation Steps:

- Remove the slide from the frame according to the manufacturer's instructions.
- Locate the firing pin stop and remove it carefully.
- Remove the old firing pin return spring if applicable.
- Install the new firing pin return spring in the designated slot.
- Reinstall the firing pin stop, ensuring it is secure.
- Reassemble the slide and frame of the firearm.

### 3. Usage:

- After installation, perform a function check to ensure the firing pin operates correctly.
- Regularly inspect the firing pin return spring during routine maintenance.

## **Disposal Instructions**

- Dispose of the old firing pin return spring in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components whenever possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 1911 Firing Pin Return Spring, please refer to the manufacturer's contact information provided with your purchase. You can also check for recall updates on the EU's Safety Gate platform.

By following these guidelines and instructions, you can help ensure the safe operation of your firearm and the longevity of your new firing pin return spring. Thank you for prioritizing safety and responsible firearm ownership.
