Safety Instruction Guide for 1911 VGRIP MAINSPRING HOUSING

Introduction

Thank you for choosing the 1911 VGRIP Mainspring Housing by Wilson Combat. This product is designed to enhance your shooting experience while ensuring your safety and comfort. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installation or maintenance.
- Use the mainspring housing only in compatible 1911 models (Government, Commander).
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the mainspring housing for wear and damage.
- Follow all local laws and regulations regarding firearm usage and modifications.

Specific Safety Precautions for Use

- Ensure a proper fit: The mainspring housing is designed for specific models. Verify compatibility before installation.
- Check for obstructions: Before installation, ensure there are no foreign objects in the mainspring housing area.
- Use protective gear: Always wear safety glasses when handling firearms to protect your eyes from debris.
- Be aware of grip safety: The design forces the web of your hand high into the beavertailstyle grip safety, ensuring proper engagement. Familiarize yourself with this feature before use.
- Avoid modifications: Do not alter the mainspring housing in any way that may compromise its integrity or safety.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool and a hammer.

2. Removal of Old Mainspring Housing:

- Locate the mainspring housing pin and carefully punch it out using the punch tool.
- Gently remove the old mainspring housing from the grip frame.

3. Installation of New Mainspring Housing:

- Align the new VGRIP mainspring housing with the grip frame.
- Insert the mainspring housing pin through the housing and grip frame.
- Ensure the pin is fully seated and secure.

4. Final Check:

- Inspect the installation to ensure it is properly aligned and secure.
- Test the grip safety to ensure it functions correctly with the new housing.

5. Usage:

- Hold the firearm with a proper grip, ensuring your hand is positioned correctly against the beavertailstyle grip safety.
- Practice safe handling and shooting techniques.

Disposal Instructions

- Dispose of any old mainspring housing and packaging materials in accordance with local regulations.
- Avoid throwing away in regular household waste if the materials can be recycled or contain hazardous components.

Contact Information for Further Support

For any safety inquiries or additional support, please consult your local dealer or refer to the manufacturer's website for further assistance.

By following these guidelines, you can ensure safe and enjoyable use of your 1911 VGRIP Mainspring Housing. Thank you for prioritizing safety in your firearm handling and modifications.
