1911 Barrel Bushing Wilson Combat Wilson #29CO Officer's Model Bushing Safety Instruction Guide

Introduction

Thank you for choosing the 1911 Barrel Bushing Wilson Combat Wilson #29CO Officer's Model Bushing. This guide provides essential safety instructions, installation tips, and disposal information to ensure your product is used safely and effectively. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Always handle firearms and firearm components with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the bushing for wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the bushing with compatible 1911 Autos.
- Do not attempt to modify the bushing beyond the manufacturer's specifications.
- If fitting is required, consult a qualified gunsmith to avoid compromising safety.
- Always ensure the firearm is unloaded before installation or maintenance.
- Wear appropriate safety gear, including eye protection, when handling firearms.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including a barrel bushing wrench, if required.

2. Installation

- Align the barrel bushing with the slide of the firearm.
- Carefully insert the bushing into the slide, ensuring it fits snugly.
- If using the blued or stainless version, check for proper fit. Minor fitting may be required.
- For the Officer's Model, ensure the dimensions are correct: I.D.: .700" (17.79mm) O.D.: .766" (19.47mm)
- Secure the bushing in place, ensuring it operates smoothly.

3. Usage

- Once installed, test the firearm's functionality to ensure proper operation.
- Regularly check the bushing for any signs of wear or damage during routine maintenance.

4. Maintenance

- Clean the bushing and surrounding areas regularly to prevent buildup.
- Inspect for any looseness or movement during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the bushing is damaged or no longer usable, consider recycling metal components where facilities exist.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Barrel Bushing Wilson Combat Wilson #29CO Officer's Model Bushing, please contact a qualified firearms expert or the manufacturer directly. Ensure you have the product details available for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
