

# 1911 AUTO HEAVY-DUTY EXTENDED EJECTOR - WILSON COMBAT .45 ACP HEAVY-DUTY COMBAT EJECTOR, STAINLESS

[Handgun Parts](#) > [Action Parts](#) > [Ejector Parts](#) > [Ejectors](#)

## Positive Ejection; Helps Cure "Smokestacking"

Instead of the traditional mounting stakes, a generous .560" long stud anchors this ejector in the frame like a rock, so even the constant pounding of the hottest +P loads won't budge it. Correct factory part for new-model Wilson Combat frames; installation on non-Wilson frames requires milling of frame.

## Attributes

- Name: [WILSON COMBAT .45 ACP HEAVY-DUTY COMBAT EJECTOR, STAINLESS](#)
- Manufacturer: [WILSON COMBAT](#)
- Product no.: 965000083

# Safety Instruction Guide for 1911 AUTO HEAVYDUTY EXTENDED EJECTOR

## Introduction

Thank you for choosing the 1911 AUTO HEAVYDUTY EXTENDED EJECTOR from WILSON COMBAT. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that the ejector is compatible with your firearm model. This product is designed for newmodel Wilson Combat frames. Installation on nonWilson frames requires milling of the frame.
- Always handle firearms with care and in accordance with all local laws and regulations.
- Ensure that the firearm is unloaded before attempting any installation or maintenance.
- Keep the ejector and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the ejector for signs of wear or damage. If any issues are found, do not use the product until it has been repaired or replaced.

## Specific Safety Precautions for Use

- Only use .45 ACP ammunition with this ejector. Other calibers may result in malfunction or damage.
- Be aware of the potential for increased recoil and muzzle rise when using +P loads. This may affect control and accuracy.
- When firing, always wear appropriate safety gear, including eye protection and hearing protection.
- Do not modify the ejector or any other firearm components unless you are a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your workspace is clean and free from distractions.
- Gather all necessary tools, including a suitable milling machine if you are installing on a nonWilson frame.

### 2. Installation:

- Unload the firearm and remove the slide and frame.
- If using a nonWilson frame, carefully mill the frame to accommodate the ejector.
- Insert the .560" long stud of the ejector into the designated slot in the frame.
- Secure the ejector firmly in place to prevent movement during operation.

### 3. Usage:

- After installation, reassemble the firearm according to the manufacturer's instructions.
- Perform a function check to ensure that the ejector is operating correctly.
- Test fire the firearm in a safe and controlled environment to verify proper function.

## Disposal Instructions

- Dispose of the ejector and any related materials in accordance with local regulations.
- Do not dispose of the ejector in regular household waste. Contact your local waste disposal agency for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of the 1911 AUTO HEAVYDUTY EXTENDED EJECTOR, please refer to the manufacturer's website or customer service resources.

This safety instruction guide is designed to provide you with the necessary information for the safe use and installation of your WILSON COMBAT product. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
