

UNIVERSAL LUBE II - WILSON COMBAT UNIVERSAL LUBE II

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

General-purpose, heavy grease/oil for use in high-tension contact areas like semi-auto slides and bolts. Anti-friction properties help prevent surface wear and galling. Dropper bottle lets you apply lubricant one drop at a time, right where you want it. Will not attract and hold contaminants. Recommended for pistols/revolvers, and long guns of all action types. 40° to 350° operating temperature range. Optimal for AR-style rifles in temperatures between 20° to 50°F.

Safety Instruction Guide for UNIVERSAL LUBE II by WILSON COMBAT

Introduction

Thank you for choosing UNIVERSAL LUBE II by WILSON COMBAT. This generalpurpose lubricant is designed for use in hightension contact areas, such as semiauto slides and bolts. To ensure safe and effective use of this product, please read and follow the safety guidelines outlined in this document.

General Safety Guidelines

- This product is intended for use as a lubricant and protectant. Ensure it is used only for its intended purpose.
- Keep out of reach of children and vulnerable individuals.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Avoid contact with eyes and skin. If contact occurs, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Dispose of the product and its container in accordance with local regulations.

Specific Safety Precautions for Use

- Ensure proper ventilation when using this product to avoid inhaling vapors.
- Use protective gloves when applying the lubricant to prevent skin irritation.
- Avoid using near open flames or sparks, as the product may be flammable.
- Do not mix with other chemicals or lubricants unless specified by the manufacturer.
- Test on a small area first to ensure compatibility with the surface being treated.

Instructions for Installation and Usage

1. Preparation:

- Ensure the surface to be lubricated is clean and dry.
- Shake the bottle gently before use to mix the contents.

2. Application:

- Open the dropper bottle cap.
- Apply one drop of UNIVERSAL LUBE II directly to the area requiring lubrication.
- For best results, apply in hightension contact areas, such as semiauto slides and bolts.

3. Postapplication:

- Allow the lubricant to settle for a few minutes before operating the mechanism.
- Wipe off any excess lubricant to prevent attracting dirt and debris.

4. Storage:

- After use, securely close the bottle cap.
- Store in an upright position to prevent leaks.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.

- Do not pour lubricant down the drain or dispose of it in household waste.
- Check with local authorities for specific disposal instructions for hazardous materials.

Contact Information for Further Support

For inquiries regarding safety, usage, or any other concerns, please contact the EUbased customer support for WILSON COMBAT.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of UNIVERSAL LUBE II. Always prioritize safety and adhere to the guidelines provided to protect yourself and others. Thank you for your attention to these important safety measures.
