

ULTIMA-LUBE II GREASE - WILSON COMBAT ULTIMA-LUBE II GREASE, 2 OZ.

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

A light grease that stays where it's put and won't migrate to other parts. The areas of your gun that need lubrication stay lubricated. One drop on each slide rail reduces friction and wear; helps your pistol work easier and stay clean longer. Will not attract and hold contaminants. Recommended for full- and semi-auto rifles and carbines. Excellent for AR-style rifles in temperatures above 50°F.

Attributes

- Name: [WILSON COMBAT ULTIMA-LUBE II GREASE, 2 OZ.](#)
- Manufacturer: [WILSON COMBAT](#)
- Product no.: 965000124

ULTIMALUBE II GREASE Safety Instruction Guide

Introduction

Thank you for choosing ULTIMALUBE II GREASE by Wilson Combat. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the grease.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a lubricant for firearms.
- Keep out of reach of children and pets.
- Always follow local regulations regarding the use and disposal of lubricants.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Do not use if the product is damaged or the seal is broken.
- If you experience any adverse reactions, discontinue use and seek medical advice.

Specific Safety Precautions for Use

- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Use in a wellventilated area to avoid inhalation of fumes.
- Do not mix with other chemicals or lubricants unless specified by the manufacturer.
- Ensure proper disposal of excess grease and containers according to local regulations.

Instructions for Installation and Usage

1. Preparation:

- Clean the firearm surfaces that require lubrication.
- Ensure all parts are dry before applying grease.

2. Application:

- Apply one drop of ULTIMALUBE II GREASE on each slide rail of your firearm.
- Spread the grease evenly using a clean cloth or applicator.
- Avoid overapplication, as this can attract dirt and contaminants.

3. PostApplication:

- Allow the grease to settle for a few minutes before using the firearm.
- Regularly check and reapply grease as needed, especially after extensive use or cleaning.

Disposal Instructions

- Dispose of any unused grease and containers in accordance with local hazardous waste disposal regulations.
- Do not pour down drains or dispose of in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided on the product packaging or visit the official website.

Thank you for prioritizing safety while using ULTIMALUBE II GREASE. Your responsible use helps ensure your safety and the longevity of your firearm.
