# Safety Instruction Guide for 1911 G10 Grips Wilson Combat Fullsize

## Introduction

Thank you for choosing the 1911 G10 Grips by Wilson Combat. This guide provides important safety information and instructions to ensure the safe use and installation of your new grips. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the grips are compatible with your specific model of 1911 pistol (Government, Commander).
- Inspect the grips for any visible damage before installation. Do not use damaged grips.
- Keep the grips and all related components out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Do not attempt to modify the grips or use them in a manner not intended by the manufacturer.

## Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded, even when you believe it to be empty.
- Ensure that the firearm is pointed in a safe direction when handling.
- Use appropriate protective gear when installing or handling grips.
- Be aware of potential pinching hazards during installation.
- If you experience any discomfort or difficulty during installation, stop and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Gather Required Tools

- Screwdriver (appropriate size for grip screws)
- Allen wrench (if necessary)

### 2. Remove Existing Grips

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the screws securing the existing grips using the screwdriver or Allen wrench.
- Carefully detach the old grips from the firearm.

### 3. Prepare the New Grips

- Inspect the new G10 grips for any defects or damage.
- Align the grips with the frame of the firearm.

### 4. Install the New Grips

- Place the new grips onto the firearm, ensuring proper alignment with the safety and magazine release.
- Insert the screws and tighten them securely, but do not overtighten to avoid damaging the grips.

### 5. Final Check

- Ensure that the grips are securely attached and that all functions of the firearm operate correctly.
- Test the ambidextrous safety cut to ensure proper operation.

## **Disposal Instructions**

- Dispose of packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the grips in a manner that could pose a risk to the environment or public safety.
- If the grips are damaged beyond use, contact your local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 G10 Grips, please contact the manufacturer or your local authorized dealer for assistance. Ensure you have your product details available when seeking support.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can ensure the safe and effective use of your Wilson Combat G10 grips. Always prioritize safety and comply with all relevant regulations when handling firearms and accessories. Thank you for choosing Wilson Combat.
