Safety Instruction Guide for 1911 SNAGFREE FIBER OPTIC FRONT SIGHTS

Introduction

Thank you for choosing the 1911 SNAGFREE FIBER OPTIC FRONT SIGHTS by Wilson Combat. This guide provides essential safety instructions to ensure the safe use and installation of your new front sights. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is installed and maintained according to the manufacturer's instructions.
- Always treat firearms with respect and follow all safety protocols when handling them.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the front sights with compatible 1911 models: Government, Commander, and Officers.
- Avoid using the sights in adverse weather conditions (e.g., heavy rain, snow) that may impair visibility.
- Do not modify the product in any way, as alterations may affect safety and performance.
- Wear appropriate eye protection when installing or using the product to prevent injury.
- Ensure that the firearm is unloaded before installing or adjusting the front sights.

Instructions for Installation and Usage

Installation Steps

1. **Gather Tools:** Ensure you have the necessary tools for installation, such as a screwdriver and any specific tools recommended by the manufacturer.
2. **Unload Firearm:** Before beginning installation, ensure that the firearm is completely unloaded.
3. **Remove Existing Sight:** Carefully remove the existing front sight from your 1911 using the appropriate tools.
4. **Clean the Sight Base:** Clean the area where the new sight will be installed to ensure proper adhesion and fit.
5. **Install New Sight:** Align the new fiber optic front sight with the sight base and secure it using the appropriate screws.
6. **Check Alignment:** Ensure that the sight is properly aligned and securely fastened.
7. **Test for Stability:** Gently shake the firearm to ensure that the front sight is stable and will not shift during use.

Usage Guidelines

- Aim to maintain a steady hand and proper stance when aiming with the new front sight for optimal accuracy.
- Familiarize yourself with the sight's visibility in different lighting conditions.
- Practice regularly to enhance your target acquisition speed and accuracy with the new front sight.

Disposal Instructions

- Dispose of the product in accordance with local regulations for nonhazardous materials.

- Do not dispose of the product in regular household waste if it is damaged or defective.
- Contact local waste management services for guidance on proper disposal methods.
