# Safety Instruction Guide for 1911 SNAGFREE FIBER OPTIC FRONT SIGHTS

## Introduction

Thank you for choosing the 1911 SnagFree Fiber Optic Front Sights by Wilson Combat. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure that the front sights are used in accordance with the instructions to mitigate any risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any potential recalls related to your product by checking official channels.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** Keep the product out of reach of children and vulnerable individuals to avoid accidents.
- **EU Contact Point:** For any safety inquiries, refer to the EU-based contact provided by your retailer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- Always inspect the front sights before use to ensure they are securely mounted and free from defects.
- Do not attempt to modify or alter the front sights as this may compromise safety and performance.
- Use only approved fiber optic rods (red or green) as specified for your model to maintain visibility and functionality.
- Ensure that the firearm is unloaded before installing or adjusting the front sights.
- If you experience any issues with the sights, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is pointed in a safe direction and is unloaded.
- Remove the existing front sight using the appropriate tools.
- Align the new fiber optic front sight with the mounting slot and secure it using the screws provided.
- Tighten the screws evenly to ensure the sight is stable and aligned with the rear sight.

### 2. Usage:

- When aiming, focus on the front sight and use the high visibility dots to align with your target.
- Practice regularly to improve target acquisition and accuracy.
- Clean the fiber optic rods periodically to maintain their visibility and performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged, consult local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 SnagFree Fiber Optic Front Sights, please refer to the contact information provided by your retailer or manufacturer.
