Safety Instruction Guide for 1911 SNAGFREE FIBER OPTIC FRONT SIGHTS

Introduction

Thank you for choosing the 1911 SnagFree Fiber Optic Front Sights by Wilson Combat. This product is designed to enhance your shooting experience by providing high visibility for quick target acquisition and consistent accuracy. This safety instruction guide is intended to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure you read and understand all instructions before using the product.
- Always handle firearms safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the front sights for any signs of damage or wear.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

Specific Safety Precautions for Use

- Use the front sights only on compatible models: 1911 Government, Commander, and Officers.
- Ensure the firearm is unloaded before installation or adjustment of the front sights.
- Avoid using the product in extreme weather conditions that may affect visibility or performance.
- If you experience difficulty in sight alignment, do not force adjustments; consult a qualified gunsmith.
- Do not modify the front sights, as this may compromise safety and performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing front sight using appropriate tools.
- Align the new fiber optic front sight with the sight dovetail.
- Secure the sight in place using the manufacturer recommended method.
- Verify that the sight is properly aligned and securely attached.

2. Usage:

- Position your firearm in a stable shooting stance.
- Focus on the front sight while aiming at your target.
- Use proper shooting techniques to maintain accuracy.
- Regularly practice to become familiar with the sight's performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding nonfood product waste.
- Do not dispose of the product in household waste; check for designated disposal sites for firearms accessories.
- If the product is damaged or no longer in use, ensure it is securely stored until disposal.

Contact Information for Further Support

For any inquiries or support related to safety, installation, or product performance, please reach out to the appropriate contact point provided by the manufacturer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 1911 SnagFree Fiber Optic Front Sights. Always prioritize safety and responsible firearm handling.
