Specific Safety Precautions for Use

- **Installation:** Ensure that the sight is installed by a qualified gunsmith or experienced individual. Improper installation may lead to safety hazards.
- **Usage:**
 - Always handle firearms responsibly and in accordance with local laws.
 - Ensure the firearm is unloaded before installation or maintenance.
 - Use the sight only with compatible 1911 models (Government, Commander, Officers).
- **Environmental Conditions:** The tritium dots work best in low light conditions. Avoid using the sight in bright daylight for optimal performance.
- **Maintenance:** Regularly inspect the sight for any signs of damage or wear. If any issues are found, discontinue use and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old front sight if applicable.
- Align the new sight with the dovetail slot on the slide.
- Secure the sight in place according to the manufacturer's specifications. Use appropriate tools to avoid damaging the sight or firearm.
- Check for proper alignment and functionality before use.

2. Usage:

- Familiarize yourself with the sight before using it in a live shooting environment.
- Practice aiming and target acquisition in a controlled setting to understand how the sight enhances visibility.
- Always follow safe shooting practices and maintain awareness of your surroundings.

Disposal Instructions

- Dispose of the product responsibly.
- If the sight becomes damaged or is no longer usable, follow local regulations for the disposal of firearm accessories.
- Do not throw the product in regular household waste. Instead, consult local authorities for proper disposal methods.
