

# 1911 REVERSE PLUG, FULL SIZE, BULL BARREL - WILSON COMBAT

## 1911 REVERSE PLUG FULL SIZE FOR BULL BARRELS

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Plugs](#)

The 585 Reverse plug is machined from solid stainless bar stock and unlike most reverse plugs is designed to fully support your 5" tapered cone barrel when in battery. This item has a collar-style rear profile and will require gunsmith fitting. The open end is a perfect match for full length guide rods.

# Safety Instruction Guide for the 1911 Reverse Plug, Full Size, Bull Barrel

## Introduction

Thank you for choosing the 1911 Reverse Plug, Full Size, Bull Barrel by Wilson Combat. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that you are in a safe environment when handling or installing the reverse plug.
- Be aware of your surroundings and ensure that no unauthorized persons are nearby.
- Store your firearm and accessories securely to prevent unauthorized access, especially from children.
- Regularly inspect your firearm and accessories for wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- The 1911 Reverse Plug is designed for use with 5" tapered cone barrels. Ensure that your barrel is compatible before installation.
- This product requires gunsmith fitting. Do not attempt to install the reverse plug without proper tools and expertise.
- Never use the reverse plug with damaged or improperly fitted components.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- If you notice any unusual performance or damage to the reverse plug or your firearm, discontinue use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a gunsmithing tool kit.

### 2. Installation:

- Remove the existing recoil spring plug from your firearm.
- Carefully fit the 1911 Reverse Plug into the recoil spring housing. Ensure it is seated properly.
- If fitting is required, consult a qualified gunsmith to make any necessary adjustments.
- Reinstall the recoil spring and ensure all components are secure.

### 3. Usage:

- After installation, perform a function check to ensure that the firearm operates correctly.
- Regularly inspect the reverse plug and surrounding components for signs of wear or damage.
- Clean and maintain the reverse plug as part of your regular firearm maintenance routine.

## **Disposal Instructions**

- Dispose of the 1911 Reverse Plug in accordance with local regulations regarding metal and firearm components.
- Do not dispose of the reverse plug in regular household waste.
- Consider recycling options for stainless steel components.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the 1911 Reverse Plug, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website for further support.

By following these guidelines, you can ensure safe and effective use of your 1911 Reverse Plug, Full Size, Bull Barrel. Thank you for prioritizing safety and compliance with EU General Product Safety Regulations.
