# 1911 Bullet Proof Titanium Firing Pin Safety Instructions

## Introduction

Thank you for choosing the 1911 Bullet Proof Titanium Firing Pin by Wilson Combat. This product is designed to enhance the safety and performance of your 1911 firearm. Please read this safety instruction guide carefully to ensure safe use and compliance with safety regulations.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Ensure that you are familiar with your firearm's operation before using it.
- Always wear appropriate eye and ear protection when shooting.
- Regularly inspect your firearm and its components for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- The Bullet Proof Titanium firing pin is designed for Series 70 and Series 80 style 1911 designs. Ensure compatibility before installation.
- Verify the firing pin diameter needed for your firearm by checking the hole size in the recoil face or measuring your existing firing pin.
- Do not attempt to modify the firing pin or any other components of your firearm.
- Ensure that the firearm is unloaded before installing or replacing the firing pin.
- If you experience any malfunctions or irregularities after installation, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your firearm is unloaded and in a safe condition.
- Gather necessary tools: a screwdriver and any other tools specified in your firearm's manual.

### 2. Installation

- Remove the slide from your 1911 according to the manufacturer's instructions.
- Locate the firing pin retaining plate and remove it.
- Carefully extract the existing firing pin from the slide.
- Insert the Bullet Proof Titanium firing pin into the firing pin channel.
- Replace the firing pin retaining plate, ensuring it is securely in place.
- Reassemble the slide and reattach it to the frame of the firearm.

### 3. PostInstallation Check

- After installation, perform a function check to ensure proper operation.
- Test the firearm in a safe and controlled environment, following all safety protocols.

## **Disposal Instructions**

- Dispose of any old or unused firing pins and components in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 Bullet Proof Titanium Firing Pin, please refer to the manufacturer's website or contact their customer support for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your 1911 Bullet Proof Titanium Firing Pin. Always prioritize safety and compliance with applicable laws and regulations. Thank you for your commitment to responsible firearm ownership.
