1911 Spring & Follower Kit for Wilson Magazines Safety Instruction Guide

Introduction

Thank you for choosing the 1911 Spring & Follower Kit for Wilson Magazines. This guide provides important safety information, installation instructions, and usage tips to ensure the safe and effective use of your product. Please read this guide carefully before using the kit.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the springs and followers for signs of wear or damage. Replace them if necessary to maintain functionality.
- Store the kit in a cool, dry place to prevent deterioration of materials.
- Report any unsafe product experiences or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always handle the springs and followers with care to avoid injury from sharp edges or sudden release of tension.
- When replacing springs, ensure the magazine is unloaded and the firearm is pointed in a safe direction.
- Use only compatible Wilson Combat magazines as listed in the product specifications to avoid malfunction.
- Do not attempt to modify or alter the springs or followers, as this may compromise safety and functionality.
- Follow all local laws and regulations regarding the use and modification of firearm accessories.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for installation.
- Ensure that the workspace is clean and organized.

2. Removing the Old Spring and Follower:

- Unload the magazine completely.
- Carefully remove the base plate of the magazine.
- Extract the old spring and follower from the magazine body.

3. Installing the New Spring and Follower:

- Take the new spring from the kit and insert it into the magazine body.
- Place the nylon follower on top of the spring, ensuring it is seated correctly.
- Reattach the base plate securely to the magazine.

4. Final Inspection:

- Check that the spring and follower are properly installed and that the magazine functions smoothly.
- Perform a function test by cycling the magazine through the firearm without ammunition to ensure

proper operation.

Disposal Instructions

- Dispose of old springs and followers in accordance with local regulations for metal and plastic waste.
- Do not dispose of the product in household waste. Instead, utilize designated recycling facilities if available.
