Safety Instruction Guide for AR15/M16 Marked Ejection Port Covers

Introduction

Thank you for purchasing the Wilson Combat AR15/M16 Ejection Port Cover. This product is designed to enhance the functionality of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use and maintain the product safely.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the ejection port cover for any signs of wear or damage.
- If you encounter any issues with the product, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or replacing the ejection port cover.
- Avoid using the product in adverse weather conditions that may affect visibility or functionality.
- Do not modify the ejection port cover or attempt to repair it if damaged.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded.
- Remove the existing ejection port cover by detaching it from the upper receiver.
- Align the new ejection port cover with the mounting points on the upper receiver.
- Secure the cover in place (note: this product does not include pin, cclip, or spring).

2. Usage

- After installation, ensure that the ejection port cover operates smoothly.
- Regularly check the cover for functionality, especially after use.
- If the cover does not close or open properly, remove it and inspect for any obstructions or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of in a manner that prevents accidental use.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Wilson Combat AR15/M16 Ejection Port Cover, please refer to the manufacturer's contact details included with your product packaging or on their official website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the Wilson Combat AR15/M16 Ejection Port Cover. Always prioritize safety and stay informed about best practices for firearm handling and maintenance. Thank you for choosing our product.
