

# VICKERS ELITE BATTLESIGHT FOR GLOCK® - WILSON COMBAT

## VICKERS ELITE BATTLESIGHT FOR GLOCK

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The high profile Vickers Elite Battlesight rear has a .145" wide, deep U-Notch for optimum sighting in low-light, dynamic range conditions and is a perfect match to our .125" wide front sights. The concave non-reflective rear blade is serrated 40 lines per inch, while the notch area is recessed into a semi-circular pocket for a crisp, protected sight picture. Two hardened set-screws ensure this sight will never shoot loose under the most demanding conditions. This snag-free rear sight also has a shelf shape that enables one-hand slide cycling or malfunction clearance and a rugged, non-reflective matte black parkerized finish. The Vickers Elite Battlesight is available with plain black serrated rear blades and your choice of black serrated, green/red fiber optic or tritium front sight styles. The high profile of the Vickers Elite Battlesight allows the use of a taller front sight and deeper rear notch for better sight tracking during high speed shooting situations. NOTE: Sights may require minor fitting. The Vickers Elite Glock® Sight set requires the use of a .245" tall front sight for all caliber Glock® pistols except for .45 ACP and 10mm which will typically require the .230" front sight.

# Vickers Elite Battlesight for Glock® Safety Instruction Guide

## Introduction

Thank you for choosing the Vickers Elite Battlesight for your Glock®. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read and follow these instructions carefully to maximize your safety and the performance of your battlesight.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Vickers Elite Battlesight by following all instructions. This product is designed for nonfood use and is compliant with EU safety regulations.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to the Vickers Elite Battlesight. You can find updates through official channels.
- **Online Shopping Safety:** If you purchased your battlesight online, ensure that the retailer complies with EU safety requirements.
- **Consumer Focus:** Extra caution is advised when using this product around vulnerable groups, such as children. Ensure that the product is stored safely and out of reach.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates on unsafe products.

## Specific Safety Precautions for Use

- **Installation Precautions:**
  - Ensure the firearm is unloaded before installing or adjusting the battlesight.
  - Use proper tools and follow the installation instructions to avoid damaging the sight or the firearm.
- **Usage Precautions:**
  - Regularly check the sight for any signs of damage or wear.
  - Avoid using the battlesight in extreme conditions that may affect its performance.
  - Do not modify the battlesight in any way, as this may compromise its safety and effectiveness.
- **Handling Precautions:**
  - Always treat your firearm as if it is loaded.
  - Keep your finger off the trigger until ready to shoot.
  - Use the battlesight only as intended and in accordance with the manufacturer's guidelines.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing rear sight from the Glock® using appropriate tools.
- Align the Vickers Elite Battlesight with the sight dovetail.
- Secure the sight using the provided setscrews, ensuring it is tight but not overtightened.
- Check alignment with the front sight for proper sight picture.

### 2. Usage:

- Familiarize yourself with the sight picture by practicing in a safe and controlled environment.
- Adjust your stance and grip to optimize the use of the battlesight.
- Use the sight in various lighting conditions to understand its performance.

## **Disposal Instructions**

- Dispose of the Vickers Elite Battlesight in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Vickers Elite Battlesight, please refer to the contact details provided by your retailer or manufacturer. They can assist you with safety inquiries, installation support, and product information.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your Vickers Elite Battlesight and practice safe shooting.
