# Vickers Elite Snag Free Tritium Front Sights for Glock® Safety Instruction Guide

## Introduction

Thank you for choosing the Vickers Elite Snag Free Tritium Front Sights for Glock®. This guide provides essential safety instructions and guidelines to ensure the proper use and handling of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a front sight for Glock® firearms.
- Always follow local laws and regulations regarding firearm modifications and accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the front sights for any signs of damage or wear before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- The tritium insert may emit a low level of radiation; however, it is considered safe for use. Do not attempt to disassemble or tamper with the tritium insert.
- Ensure that the firearm is unloaded before installing or adjusting the front sight.
- Use caution when handling tools during installation to avoid injury.
- Always wear appropriate eye protection when working with firearms and tools.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather the necessary tools, including the front sight wrench provided with your purchase.

### 2. Installation Steps:

- Locate the front sight dovetail on your Glock® firearm.
- Using the front sight wrench, carefully remove the existing front sight by turning it counterclockwise.
- Align the Vickers Elite Tritium Front Sight with the dovetail slot and press it into place.
- Secure the sight by turning it clockwise with the front sight wrench until it is firmly in position. Do not overtighten.
- Check that the sight is aligned properly and adjust if necessary.

### 3. Usage:

- Familiarize yourself with the sight picture and practice aiming at a safe target area.
- Regularly check the alignment and condition of the front sight during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste.

- If the tritium insert becomes damaged, contact your local waste disposal authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Vickers Elite Snag Free Tritium Front Sights for Glock®, please contact your retailer or the manufacturer directly.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Vickers Elite Snag Free Tritium Front Sights for Glock®. Thank you for your attention to safety, and enjoy your new product!
