# Vickers Elite Snag Free Tritium Front Sights for Glock® Safety Instruction Guide

## Introduction

Thank you for choosing the Vickers Elite Snag Free Tritium Front Sights for your Glock®. This guide provides essential safety instructions, installation guidelines, and general information to ensure safe and effective use of your product. Please read this document carefully before using the sights.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the sights.
- Use the sights only on compatible Glock® models as specified in the product description.
- Inspect the sights regularly for any signs of wear or damage.
- Store the sights in a safe place, away from children and unauthorized users.
- If you experience any issues with the sights, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Installation Safety:** Use the included front sight wrench to avoid injury during installation.
- **Handling:** Always handle your firearm with care and follow basic firearm safety rules.
- **Visibility:** Ensure that the tritium insert is functioning correctly for optimal visibility in lowlight conditions.
- **Compatibility:** Confirm that the height of the sight (.230") is appropriate for your specific model before installation.
- **User Responsibility:** Understand that the user is responsible for the safe operation of the firearm equipped with these sights.

## Instructions for Installation and Usage

### Installation Steps

1. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Sight:** Use the front sight wrench to carefully remove the factoryinstalled sight.
3. **Install the New Sight:**
  - Align the new Vickers Elite front sight with the slide.
  - Press down gently and secure it in place using the front sight wrench.
4. **Check Alignment:** Ensure the sight is properly aligned with the rear sight for accurate aiming.
5. **Test the Sight:** Once installed, test the sight in a safe environment to ensure it functions as intended.

### Usage Tips

- Familiarize yourself with the sight's features before use.
- Practice aiming with the new sights to improve accuracy and comfort.
- Regularly check the tritium insert for brightness; replace the sight if the tritium is no longer visible.

## Disposal Instructions

- Dispose of the sights in accordance with local regulations.
- If the sights are damaged or no longer functional, do not attempt to repair them.
- Contact local waste management services for proper disposal methods.
